2. Personal Protection Requirements: Apparently the previous OSHA Regulation, or regulation equivalent to OSHA, recommended fire retardant clothing, but the rule has now been changed to make this type of clothing mandatory as of January 1, 2009. Enclosed is a listing of the clothing required for Electric Department personal as of January 1, 2009. The cost will not be this significant on an annual basis because a number of these clothing items can be carried over from year to year. - B. Membership: Having had time to consider Tim Breza's presentation for joining the Coalition of Greater Minnesota Cities at the past meeting, does the Council wish to join? Recall that Mr. Breza said we could attend a seminar at Wilmer for without charge and have a membership in 2009 for 25% of the normal rate as a trial membership. Normal rate for Caledonia would be \$4,391 with the trial rate for 2009 being \$1,098.

VII. New Business

- A. City Hall Phone System: I can explain at greater detail at the meeting, but for the library, Marla Burns wishes to add a phone in the conference room to take advantage of a new system from SELCO whereby seminars are held via telephone conferences. We also recommend purchasing a spare phone in the event that one would stop working. Jessica was able to find a sale offer of used phones of the same model we have for \$70 each plus \$16 shipping fee. We also estimate two hours of labor by a vendor to connect the phones into our system at \$85 per hour. This is a total estimated cost of \$330. A new phone of this style is \$350 each.

Council Action:

- B. Drop Box: The City Clerk's Office has had a request for the City to put a drop box at a particular apartment rental building. We can discuss this in further detail at the meeting, but my first reaction is that we would deny the request for a variety of reasons.

Council Action:

- C. Reaction Committee Recommendations
1. Appointment: To appoint Pastor Tom Schultz to the Recreation Committee.

Council Action:

2. Athletic Program Manager: To appoint Britney Paige Beneke as the Athletic Program Manager for calendar year 2009 at a wage of \$18.50 per hour with a 350 hour maximum work period during the calendar year.
