- A. Administrative Coordinator

1. Travis Fishel, Taxidermy Shop, 402 West Grove Street, is petitioning to install a business sign at a location 41' from the front yard property line adjacent to Main Street and 50' from the west property line. No variance is required and approval is recommended. Addendum #2

Council Action:

2. Kwik Trip Stores, 110 North Sunset Boulevard, have submitted a Zoning Application petitioning to change the face of an existing sign. No variances are required and approval is recommended. Addendum #3

Council Action:

3. Steve Peterson, 422 West Washington Street, has submitted a Zoning Application proposing to construct a 7.5' x 5.5' sign to be located on a pole immediately adjacent to the southwest corner of his auto body building. The pole shall be approximately 29' from the property line adjoining West Washington Street and 55' from the property line adjoining Sprague Street. This requires a 62' setback variance from the Washington Street side and a 35' setback variance from the Sprague Street side. Addendum #4

Council Action:

4. Resolution: Enclosed is a Resolution which is mandated to attach to our Water Conservation Plan. The Council is requested to give consideration to numbered paragraph 4 to determine what the penalty should be for watering on days of restriction some possibilities, depending upon how intensely the Council wishes to enforce this issue when necessary may be to impose a heavy penalty such as \$25 for the first day and \$40 for each subsequent day. If you choose to simply encourage people to conserve water you may wish to implement a penalty of \$10 for the first day and \$15 for each subsequent day. Addendum #5
