

REGULAR MEETING OF THE CITY COUNCIL  
CITY OF CALEDONIA, MINNESOTA  
Monday, December 10, 2012

CALL TO ORDER: Following due call and notice thereof, Mayor Burns called the meeting to order at 6:00 p.m. in the Council Room, City Hall.

ROLL CALL: Members present: Mayor Robert H. Burns; Council Members: Randi Vick, Tom Murphy, Bob Lemke and Paul Fisch. Members Absent: None. City Staff Present: City Clerk/Administrator: Ted Schoonover, Administrative Coordinator Mike Gerardy and City Accountant Stephanie Mann. Guests present: Dewayne (Tank) Schroeder, Caledonia Argus Reporter Clay Schuldt. Arriving at 7:00 p.m. County Commissioner Steve Schuldt.

AGENDA: will stand as read.

CONSENT AGENDA APPROVAL: A motion was made by Mayor Burns, seconded by member Vick to approve the consent agenda, which consisted of the special minutes of the November 28, 2012 special budget worksession meeting. All members present in favor and the motion was declared carried.

VISITORS AND COMMUNICATIONS: None.

ADMINISTRATIVE COORDINATOR TOPICS:

Administrator Coordinator Mike Gerardy informed the council that Mid-west testing will be present this week to install the remaining meters, property owners have been notified and appointments arranged for the installation process. This should keep us on track to make the deadline of December 15, 2012.

Gerardy presented the council with a quote to repair two lift stations from Electric Pumps in the amount of \$12,390.63. Motion by Vick, second by Murphy to approve the purchase quote and make the needed upgrades. All members present in favor and the motion was declared carried.

Gerardy stated that Bob Klug had presented a plan to build a privacy fence to his property to mitigate the noise, lights and other distractions from the Houston County Law Enforcement Center. The fence he is planning is 8' tall versus the required 6' limitation and will be within the 2' setback from the property line. This is a joint venture and agreement between the Klug's and Houston County, and the city needs a signed agreement by both parties. Motion by Vick, second by Murphy to approve the variance with the caveat of having a written agreement between both property owners. All members present in favor and the motion was declared carried.

Motion by Fisch, second by Lemke to approve payment request #4 to Griffin Construction in the amount of \$85,607.04. All members present in favor and the motion was declared carried.

The water meter disconnect /reconnection fee was discussed. There are residents that wish to have water meters removed from buildings that no longer require water. Charging a fee is to ensure that we have control over the meters and to pay for the labor to remove/install them. The council also considered raising the Houston County Collection Site fees. Recently the county raised the price to all cities by fifty cents to \$3.00. This account has always ran in the red because of the difference in the numbers of housing units being billed. Schoonover mentioned that some apartment owners are only being billed as one residential unit versus the number of actual units available, this throws the numbers off. He mentioned that he feels that all apartment owners, mobile home parks and multi-family dwellings need to be billed according to the units available for occupation. Motion by Burns, second by Fisch to approve the connection/disconnection fee for water meters and to increase to the Houston County Collection Site fee from \$2.50 to \$3.25, and to bill multi-family dwellings in accordance with the number of units available. All members present in favor and the motion was declared carried.

Motion by Burns, second by Lemke to approve payment request #2 to Winona Mechanical in the amount of \$44,366.00. All members present in favor and the motion was declared carried.

CITY ACCOUNTANT:

Accountant Mann presented the board with the current and proposed 2012 budget amendments. Motion by Lemke, second by Vick to approve the amendments as presented. All members present in favor and the motion was declared carried.

At 6:39 p.m. the Mayor closed the regular meeting and opened the Truth in Taxation public hearing. There were no public comments written or oral. The Mayor reviewed the levy totals and gave a summation of the levies.

NOW, THEREFORE, BE IT RESOLVED by the City of Caledonia City Council, as follows:

A motion was made by \_\_\_\_\_, seconded by \_\_\_\_\_, at the December 10, 2012 Caledonia City Council meeting, to certify the above-mentioned charges for collection with property taxes payable in 2013.

ATTEST: \_\_\_\_\_  
TED SCHOONOVER  
Clerk/Administrator

APPROVED: \_\_\_\_\_  
ROBERT H. BURNS  
Mayor

Discussion regarding the Certificate of Indebtedness ensued and options were discussed including the length of the note. Motion by Fisch, second by Lemke to approve the Clerk/Administrator to proceed with the process to initiate the certificate with Eitzen State Bank at 3% for a term of six years and with the end loader being paid off first with the police cruiser second. All members present in favor and the motion was declared carried.

Discussion regarding the Decertification of TIF 1-1. By keeping the TIF the city is paying approximately half of the proceeds to fees and generating minimum revenues. Consensus of the council was to not decertify at this juncture. No further action taken.

#### NEW BUSINESS:

Discussion concerning the installation of an internet connection to the Waste Water Treatment Plant (WWTP). An estimate was obtained and it would cost \$3,000.00 to run a hard line connection from the electrical shop to the plant, versus a 2-year contract at a cost of \$39.95 per month with Ace group for a wireless connection. Motion by Fisch, second by Murphy to approve the 2 year contract with Ace group to allow wireless access for the WWTP. All members present in favor and the motion was declared carried.

Clerk/Administrator Schoonover presented the board with a request form the Rotary club to act as a pass through agent to allow them to qualify for a grant, in order to paint the city owned gazebo. All members present in favor and the motion was declared carried. Member Lemke left the meeting.

Motion by Burns, second by Murphy to approve the following liquor licenses subsequent to qualification of all state statutes and insurance requirements, and to ensure that all licensees are allowed to hold such a license: The Ranch, Elsie's Bar and Grill, Good Times Pizza, Starlite Lanes and the American Legion. In addition the above licensees have in good faith kept current on the amount of payments to the City of Caledonia. All members present in favor and the motion was declared carried.

Motion by Vick, second by Fisch to approve the following tobacco licenses; Quillin's, Kraus Oil and Kwik trip. All members present in favor and the motion was declared carried.
