E.

Council Action:

IV. Visitors and Communications

A. Comprehensive Plan Public Hearing: Mayor Morey should recess the Regular Meeting and open a Public Hearing for testimony on the Comprehensive Plan. When all testimony is received and all discussion is held, the Public Hearing may be closed and action on the plan may be taken upon resuming the Regular Meeting.
Addendum #6

B. Comprehensive Plan Approval: The Council may now take action on adoption of the Comprehensive Plan if there are no necessary changes due to the Public Hearing, above.

Council Action:

C. Accountants Report: Stephanie Mann will review with the Council a comparison of Water and Sanitary Sewer Rates at different usage levels from the past rate to the new rates recently adopted by the Council. She will also review the cash and investment monthly balances and present an analysis on long term debt.
Addendums #7, #8 & #9

Council Action:

D. Houston County Report: Rick Frank, Environmental Services Director of Houston County, will present his annual report of the supervised drop-off sites.
Addendum #10

Council Action:

E. Administrative Coordinator Report

1. Generator Repair: Enclosed again is the estimate for repair of the 50 KW generators. Fire Chief Gavin and Firefighter Hoscheit are anticipated to be at the meeting to explain the necessary repair work and to further elaborate on a trailer. Cost estimate for generator repair is \$1,127.16. Addendum #11

Council Action:

2. Wellhead Protection Plan: Mike Gerardy, Administrative Coordinator, will review the Minnesota Department of Health letter dated February 13, 2007, granting approval of the City Wellhead Protection Plan, directing implementation of the plan. Addendum #12

Council Action:

3. Electric Department Truck: Matt Blocker will join Mr. Gerardy in explaining the need for a new electric department pick-up and toolbox.

Council Action:

4. Transfer Switch: Mr. Gerardy will review new information on the proposed transfer switch to operate the City Hall and City Auditorium with a generator.

Council Action:

5. Well Hook-up: Again, regarding generator operation, Mr. Gerardy will present a recommendation for generator hook-up to one of the Cities wells.

Council Action:
