VISITORS AND COMMUNICATIONS.

A. ADJOURN INTO CLOSED SESSION TO DISCUSS NEGOTIATION STRATEGIES. The regular meeting was closed at 6:35 p.m. as permitted by Minnesota Statutes 13D.03 to discuss the City's labor negotiation strategy related to the City's negotiations with its Employee Bargaining Unit represented by the International Union of Operating Engineers, Local 49, and its Police Association. The meeting was re-opened at 7:27 p.m.

B. PERSONNEL MATTER. Tim Evans, subject of the personnel matter, waived his right to have the meeting remain open. The meeting was adjourned into closed session at 7:35 p.m. The meeting re-opened at 8:00 p.m. The consensus of the Council was to go back into closed session to deliberate further towards the end of the meeting so as to keep the agenda items moving along.

C. DIGGER TRUCK REPLACEMENT. City Line Foreman Matt Blocker reported that the City's 1991 Digger Truck was experiencing issues with its hydraulic pump. Due to concerns with an upcoming inspection, Mr. Blocker recommended that the truck be fixed as soon as possible. Discussion ensued. No action was taken as Mr. Blocker will research options available with the rental of another digger truck as well as repair and replacement options.

D. ADMINISTRATIVE COORDINATOR TOPICS.

1. HOUSTON COUNTY JUSTICE CENTER INFORMATION CONCERNING BOB AND JAN KLUG'S PROPERTY. Administrative Coordinator Gerardy reported that Bob and Jan Klug's concerns will be addressed at the May 14 City Council meeting as he is still looking into matter. No action was taken as the consensus was to revisit at the upcoming May 14 meeting.

2. JOHN KLUG CONCERNS REGARDING NOISE FROM THE INDUSTRIAL PARK. Administrative Coordinator Gerardy shared that decibel readings were taken at random times in the morning and evening hours. Gerardy reported that the decibel readings taken were found to be in the range that is considered normal. Mayor Burns suggested that Gerardy contact Gary Becker regarding his schedule and then take some additional readings. Gerardy will report back to the City Council at an upcoming meeting.

3. HIGHWAY 44 SCHOOL CROSSING SIGNS. Administrative Coordinator Gerardy shared that he is still working with MNDOT regarding the Highway 44 school crossing signs. No action was taken.

E. CITY ACCOUNTANT TOPICS.

1. CASH AND INVESTMENT REPORT. Accountant Mann was in attendance to report that as of March 31, 2012, the total cash balance was \$1,079,547.71, and the total investment balance was \$2,447,285.87. F. COMMUNICATIONS.

1. FUNDRAISER FOR AMBULANCE CHICKEN Q. City Clerk/Administrator Feely shared that attached with the agenda was a flyer for the fourth annual Caledonia Volunteer Ambulance Service (501c3) Chicken-Q fundraiser to be held on Sunday, May 20, beginning at 10:30 a.m. It was noted that the proceeds from the fundraiser will go to equip ambulance personnel with quick response kits and assist with the purchase of additional automated external defibrillators for use in the community.

2. NOTICE FROM MEDIACOM. City Clerk/Administrator Feely shared that attached with the agenda was a notice from Mediacom regarding channel changes.

3. LEAGUE OF MINNESOTA CITIES INSURANCE TRUST: WORKERS' COMPENSATION DIVIDEND CHECK. City Clerk/Administrator Feely shared that attached with the agenda was a notice from the League of Minnesota Cities Insurance Trust dividend check in the amount of \$7,304.00. It was noted that workers' compensation dividend checks haven't been paid out 2000. It was further noted that the 2012 workers' compensation dividend is most likely due to better than expected loss experience during the 2006 through 2009 coverage years. The city's dividend amount was based upon the city's total premiums and total losses experienced during all the years of its membership with LMCIT.

OLD BUSINESS.

A. W/WW SUPERVISOR POSITION. City Clerk/Administrator Feely shared that a motion was made and passed at the April 12 City Council meeting regarding approving the hire of Robert Mierau as the City's water/wastewater supervisor. It was noted that although Mr. Mierau did not possess the necessary licenses for the position, the City was willing to offer him the position and contract for Class A operator services until the necessary licenses could be obtained. It was noted that an offer and counteroffer was turned down. As a result, it was explained that the City's Personnel Committee felt that it was appropriate to revisit the concept of contracting for a Class A operator. Discussion ensued. The consensus of the Council was to have City Clerk/Administrator Feely work with the City Attorney on the proposed contract for a Class A operator at the City's WWTP, and then take action on the matter at the May 14 City Council meeting.

B. COMPLETE TWO YEAR PERFORMANCE EVALUATION OF CITY/CLERK ADMINISTRATOR. Mayor Burns stated that the evaluation of the City Clerk/Administrator was positive in the following categories listed on the evaluation sheet: productivity, quality, initiative, job knowledge, reliability, adaptability, judgment, respect for others, problem solving/decision making, continuous learning, leadership, planning, accessibility, and communication. Mayor Burns also stated that City Clerk/Administrator Feely was noted to be efficient, proficient, and professional at her position. Discussion next ensued regarding the possibility of having an administrative staff member attend meetings in the future for the purpose of taking minutes as the City Clerk/Administrator currently is responsible for taking minutes. It was noted that the purpose of assigning the minute taking to an administrative staff member would be to eliminate the time spent typing minutes by the City Clerk/Administrator. No action was taken regarding assigning the minute taking to an administrative staff member. After that, discussion ensued regarding a salary increase. Members Lemke and Vick stated that they were in favor of a 2% percent increase. Member Murphy stated that Feely puts in many hours beyond 40 hours per week at no additional compensation and is not an hourly, non-exempt, employee like the other city employees. It was noted that Feely put in over 200 hours in evening meeting time in 2011. A motion was made by Mayor Burns, seconded by Member Murphy, to approve a \$2,500 salary increase for City Clerk/Administrator Feely, effective immediately. Voting in Favor: Burns, Murphy, and Fisch. Voting Against: Lemke and Vick. The motion was declared carried.

NEW BUSINESS.

A. CONFERENCE REQUEST: LIQUOR STORE MANAGER. City Clerk/Administrator Feely shared that attached with the agenda was a conference request from Liquor Store Manager Patty Gavin to attend the 2012 Annual MMBA Conference on Sunday, May 20 through Tuesday, May 22, at Arrowwood Resort, in Alexandria, Minnesota. It was noted that the cost to attend the conference, including lodging, would be approximately \$460.00. Discussion ensued. A motion was made by Member Murphy, seconded by Member Vick, to approve Liquor Store Manager Patty Gavin's attendance at the 2012 MMBA Conference in Alexandria so long as the following stipulations are adhered to: no overtime is incurred in attending the conference; the City's van is used; and there is appropriate coverage at the Liquor Store on May 21 and May 22. All members present voted in favor and the motion was declared carried.

B. SHORT TERM CONTRACT FOR CLASS A WASTEWATER OPERATOR SERVICES. City Clerk/Administrator Feely shared that attached with the agenda was a short-term contract with the City of Chatfield for a Class A operator. It was noted that all Class A facilities are required to have a Class A operator on site at least three days a week at two hours per visit. It was further noted that due to the City's difficulty in finding a Class A operator, MPCA agreed to allow the City to contract on a short-term basis for two days at three hours per visit. Discussion

ensued. A motion was made by Mayor Burns, seconded by Member Vick, to approve a short-term contract with the City of Chatfield until May 25, 2012 at an estimated weekly cost of \$625.00. All members present voted in favor and the motion was declared carried.

C. **ANIMAL ORDINANCE AMENDMENT.** City Clerk/Administrator Feely shared that discussion took place at the April 9 City Council meeting regarding the need to amend the City's ordinance regulating animals to include language requiring more stringent leash requirements for animals tied up outside on private property. It was noted that upon review of the current ordinance, it became apparent that there were a number of items that needed to be amended regarding references to outdated fee amounts. Discussion ensued. A motion was made by Mayor Burns, seconded by Member Vick, to approve the following amendments noted in bold text, pending the City Attorney's final review and approval:

However, if the owner of the animal shall elect immediately upon receipt of notice of need for the confinement by the officer to voluntarily and immediately confine the animal for the required period of time in a veterinary hospital of the owner's choosing, not outside of the county in which this city is located, and provide immediate proof of confinement in the manner as may be required, the owner may do so. (2) If an owner requests a hearing for determination as to the dangerous nature of the animal, the hearing shall be held before the City Council, which shall set a date for hearing not more than three weeks after demand for the hearing. The records of the Animal Control or City Clerk-Administrator's office shall be admissible for consideration by the Animal Control Officer without further foundation. After considering all evidence pertaining to the temperament of the animal, the City Council shall make an order as it deems proper. The City Council may order that the Animal Control Officer take the animal into custody for destruction, if the animal is not currently in custody. If the animal is ordered into custody for destruction, the owner shall immediately make the animal available to the Animal Control Officer. If the owner does not immediately make the animal available, the Animal Control Officer shall obtain an order or warrant authorizing the seizure and the destruction of the animal from a court of competent jurisdiction.

(3) No person shall harbor an animal after it has been found by to be dangerous and ordered into custody for destruction.

(H) *Stopping an attack.* If any police officer or Animal Control Officer is witness to an attack by an animal upon a person or another animal, the officer may take whatever means the officer deems appropriate to bring the attack to an end and prevent further injury to the victim.

(C) *Reclaiming animals.* A dangerous animal seized under division (B), may be reclaimed by the owner of the animal upon payment of impounding and boarding fees and presenting proof to animal control that each of the requirements under division (B), is fulfilled. An animal not reclaimed under this section within 14 days may be disposed of as provided under § 92.08(F), and the owner is liable to the city for costs incurred in confining and impounding the animal.

(D) *Subsequent offenses.* If an owner of an animal has subsequently violated the provisions under § 92.08 with the same animal, the animal must be seized by animal control. The owner may request a hearing as defined in § 92.08(F). If the owner is found to have violated the provisions for which the animal was seized, the Animal Control Officer shall order the animal destroyed in a proper and humane manner and the owner shall pay the costs of confining the animal. If the person is found not to have violated the provisions for which the animal was seized, the owner may reclaim the animal under the provisions of division (C). If the animal is not yet reclaimed by the owner within 14 days after the date the owner is notified that the animal may be reclaimed, the animal may be disposed of as provided under § 92.08(F) and the owner is liable to the animal control for the costs incurred in confining, impounding and disposing of the animal.

§ 92.10 IMPOUNDMENT.

(A) The City Animal Control Officer shall, or any peace officer may, capture and impound any dog or cat constituting a nuisance, as defined in § 92.01.
