VI. **Old Business**

A. **Recreation Department**

1. **Staffing – Umpires:** We request the following persons be appointed as umpires for either baseball or softball games. The rate of pay for umpires is $12 per game for 10 & Under and 12 & Under Teams and $15 per game for 14 & Under or older players. Those who have applied to be umpires are Katy Tweeten, Libby Augedahl, Isaac Schiltz, Phillip Schulze and Zachary Gran.

**Council Action:**

2. **Staffing – Coaches:** We recommend hiring Kody Moore and Sara Kasten as coaches for the girls softball teams. Kody Moore has worked for a number of previous seasons with the City and his rate of pay, if calculated at the rate for all returning coaches would increase by 20¢ per hour from the 2007 season of $6.85 per hour to $7.05 per hour for 2008. Sara Kasten is also recommended as a beginning coach at the base rate of $6.65 per hour. I can explain in greater detail regarding a possible different wage for Kody Moore at the meeting.

**Council Action:**

3. **Coaches – Dress Code:** The Recreation Committee commented that coaches should have some type of uniform appearance, particularly at games. The recommended a t-shirt or other uniform which would have the name of the city or the word “coach” or something to that effect. Does the Council wish to mandate a uniform policy?

**Council Action:**

B. **Pool / Lifeguard Issues:** Discussion was held with the Recreation Committee and some parents for changes in the operation of the pool. Following are some of the suggested topics for change.

1. **Swimsuits:** A claim was made that children at the pool do not know who the lifeguards are because they do not have a uniform dress code and that it would be more professional appearing if they did have a uniform dress code. The recommendation is made that at least during open swims, the lifeguards wear swimsuits with the word lifeguard or something to that effect on them. These suits cost an average of $50. Each guard would have to have at least 2 suits, possibly more. If the Council wishes to order this uniform policy, does it wish to pay for the suits or make a contribution towards the costs of the suits?

2. **Staff Extra Guards on Certain Days for Special Events Like Inner-tube Day.** There would probably only one extra guard and these days are not frequent.
3. Open Swim: Change the hours for Open Swim from 2:00 – 8:00 p.m. to 1:00 – 5:00 p.m. and 7:00 – 9:00 p.m.

4. Punch Cards: Sell punch cards with 10 or 20 entries, particularly for the daycare providers.

5. Adult Swim (Cancel): Since adult swims have been cancelled once weekly, the guards find that most often only one person attends and that person may only attend one or two weeks out of a month.

7. 5:00 p.m. Swim Lessons Next Year and Thereafter

NOTE: WATER BABIES OR HANDICAPPED PERSONS SWIM FROM 12:00 NOON TO 12:25 (WATER BABIES) OR 12:50 (HANDICAPPED).

Prospective Lifeguard Day:
9:00 a.m. – Noon: Lessons
Noon - 12:50 p.m.: Handicapped or Water Babies
1:00 - 5:00 p.m.: Open Swim
5:00 – 6:00 p.m.: Lessons
7:00 – 9:00 p.m.: Open Swim

VII. New Business
A. Electric Department Computer Operation: In order to connect the electric department laptop computer with the internet and with the server at the Clerk’s Office which contains electric department data, certain equipment needs to be installed at both the electric department and clerk’s office. For installing a DSL Line there is an initial fee of $50.00 and a monthly fee thereafter of $39.95 for a 384K line. In order for the electric department laptop computer and the server at the clerk’s office to communicate with one another instruments must be installed both at the electric department and clerk’s office with the cost of that equipment quoted at $1,347.63. In addition, there would be service charges for labor to install this equipment, estimated not to exceed $750. The grand total amount to facilitate the computer operation then is an estimated amount not to exceed $2,150. I recommend approval that the electric department may begin their computer operation which is undoubtedly to become more complex in the future just as all other things have in other offices in the past.   Addendum #7

Council Action:
B. Outside Band: Allison Zard, Student, under the supervision of Sue Link, Advisor, requests permission from the City to have a band play for the students on Friday, May 23, from approximately 7:00 p.m. to Midnight outside on the west side of the Middle / High School Building.

Council Action:

C. Donation Requested: SEMCAC requests a donation from the City to purchase a new bus which has a total cost approximately $59,000 for which they are responsible for $11,800. They are petitioning to the various municipalities within the county to make a contribution towards that purchase. Addendum #8

Council Action:

D. Outside Burners: Enclosed is a letter describing certain discontent in one community with action by the City Council to restrict outside boilers. I will explain further at the meeting. Addendum #9
