A. CONCESSION STAND OPERATOR. City Clerk/Administrator Feely shared that the Park and Rec Committee recently interviewed two individuals to operate the concession stand at Veterans Memorial Field. It was noted that the interviews took place on May 12 and since that time, the interested individuals have withdrawn their names for consideration due to various reasons. Feely stated that Mark Krause, who ran the stand in 2009, recently notified the City that he might be interested in operating the stand during the upcoming season. It was noted that whoever runs the stand will have to comply with the operator responsibilities previously approved by the city council. A motion was made by Mayor Burns, seconded by Member Vick to allow Mark Krause to operate the concession stand, contingent upon agreement to comply with operator responsibilities. All members voted in favor and the motion was declared carried.

B. COMPETITIVE BIDDING REQUIREMENTS. At the May 10 meeting, a question arose as to the competitive bidding requirements regarding soliciting quotes for a used vehicle. City Clerk/Administrator Feely shared, for informational purposes, that if the contract is expected to be \$25,000 or less, council has the discretion to make the contract by obtaining quotes or buying or selling the item on the open market. If council chooses to obtain quotes, then at least two must be obtained and kept on file for at least one year.

C. POLICE RESERVE OFFICER COMPENSATION. At the May 10 meeting, a question arose as to whether or not Police Reserve Officers are compensated when called for duty. City Clerk/Administrator Feely noted that no position description or by-laws could be located at City Hall stipulating when police reserve officers are to be compensated. Member Vick suggested contacting Jason Leahy with the police reserves to see if they have by-laws containing this information.

D. BRIMEYER GROUP INVOICE. At the May 10 meeting, a question arose as to whether there was a misunderstanding with respect to the invoice received for the recent on-boarding session. City Clerk/Administrator Feely reported that the City was not charged for any services provided during the on-boarding session other than mileage.

E. FIRE DEPARTMENT ITEMS. Attached with the agenda were the following items: (1) Email from the League of Minnesota Cities Insurance Claims Supervisor Jim Boonstra Regarding Replacement of Damaged Turnout Gear; (2) Quotes to Replace Turnout Gear; and (3) Fire Department New Hires/Resignation List. Fire Chief Chuck Gavin noted that with the addition of the new fire fighters, the department will have 32 members. A motion was made by Member Lemke, seconded by Member Perry to accept the retirements of Mike Meyer and Dan Schwartz, the hiring of Kurt Zehnder, Derrick Frank, and Kevin Bulman, and acknowledge a leave of absence for Nathan Speltz and Zach Gengler. All members voted in favor and the motion was declared carried.

F. 2010 ELECTRICAL PROJECT INVENTORY INVOICES. At the May 10 meeting, discussion took place concerning how the council wished to review and approve invoices received for the electrical project. City Clerk/Administrator Feely noted that she contacted Tom Nigon with Power Plus Engineering and requested that he review all invoices the City receives in an effort to compare invoice quantity and price to the original quotation. All future invoices will be forwarded to Mr. Nigon for his review and approval before payment is made.

G. EDA RECOMMENDATION. The EDA committee recommends to the City Council that City Attorney Tim Murphy continue trying to meet with a representative of the former school property in an effort to discuss corrective action to remove hazardous conditions.

H. LICENSING PEDDLERS AND SOLICITORS. At the May 10 meeting, a question arose as to whether individuals selling produce are required to obtain a peddlers permit from City Hall. City Clerk/Administrator Feely noted that according to §110.03(G)(1) of the Caledonia Code of Ordinances, no license is required for individuals selling produce. Mayor Burns inquired about individuals selling furniture at farmer's markets and whether they should be required to obtain a permit. Member Vick asked about service groups going door to door with pamphlets and soliciting donations. Member Perry asked if it would be possible to create a card in which the peddler could carry with them showing that they have been licensed by the City. Discussion ensued. Feely noted that the City does not currently have any sort of application on file to license peddlers, solicitors, or transient merchants as stipulated per the City's ordinance dealing with peddlers and solicitors. Feely will work on drafting a proposed application and present at an upcoming meeting for council's review and approval.

I. USE OF CITY FACILITIES. At the May 10 meeting, discussion took place regarding what other cities require for rental agreements and liability coverage with respect to the use of city facilities. City Clerk/Administrator Feely noted that she has since gathered several rental agreements from other entities and is currently researching how many require proof of liability insurance before using city facilities. A proposed rental agreement will be presented at an upcoming meeting for review and consideration.

J. CITY EMPLOYEE COMPENSATION FOR EMERGENCY CALLS DURING WORKING HOURS. A question arose at the May 10 meeting regarding whether City employees are compensated twice for time spent responding to emergency calls. City Clerk/Administrator Feely reported that in the absence of a personnel policy, the employee association labor agreement was reviewed and found that there is no such language included in the agreement addressing this compensation issue. Member Lemke noted the importance of allowing employees to respond to emergencies during the workday as it is sometimes difficult to have enough crew members available to respond to calls which occur during this time. Member Perry concurred and recommended that a policy be developed to address this issue so compensation is fair for all parties involved.

K. LAPTOP PRICING. At a previous meeting, discussion ensued regarding obtaining pricing for a laptop which could be used by City staff at City Hall. Attached with the agenda was pricing from various vendors. No action was taken; however, this information will be useful for planning purposes as work on the 2011 budget gets underway.

H. **ORDINANCE TO CONDUCT CRIMINAL HISTORY BACKGROUND CHECKS FOR EMPLOYMENT AND LICENSE APPLICANTS.** City Clerk/Administrator Feely noted that upon review of the City's Peddler and Solicitor Ordinance, it was discovered that the City does not have an ordinance in place authorizing the police department to conduct background checks for employment or license applicants. If council wishes for the police department to conduct background checks for employment or license applicants, an ordinance will have to be passed to that effect. The consensus of the council was to proceed in having the City Attorney review the proposed ordinance and include in the upcoming packet for review and approval.

According to projections from the Minnesota Department of Revenue and the House Research Department, the estimated 2011 certified LGA for Caledonia is \$989,188 as compared to the original certified 2010 LGA of \$941,158. City Attorney Tim Murphy is currently reviewing the proposed ordinance and will be providing his recommendations before the final draft is presented to council for approval. Attached with the agenda was the existing and proposed natural gas franchise ordinances. Mayor Burns noted a concern with the proposed term of 25 years and stated that he would like to see it shorter. Member Murphy emphasized the need to include language which provides for stronger enforcement in the event the company does not perform satisfactorily or as stipulated in the agreement.

E. IMPORTANT UPCOMING ELECTION DATES. City Clerk/Administrator Feely shared with the council that for cities with no municipal primary election, the first day to file affidavits for candidacy for the November 2 general election will be on August 3. The filing period closes on August 17 at 5:00 p.m. The last day to file affidavits of withdrawal is August 19. The filing fee is set at \$2.00.
