

REGULAR MEETING OF THE CITY COUNCIL  
CITY OF CALEDONIA, MINNESOTA  
Monday, September 8, 2008

CALL TO ORDER: Following due call and notice thereof, Mayor Morey called the meeting to order at 6:00 p.m. in the Council Room, City Hall.

ROLL CALL: Members present: Mayor Michael J. Morey; Council Members: Randi Vick (6:10 p.m.), Gary Klug, Robert Standish and Peggy Perry (6:23 p.m.). Members absent: None. Consultants and City staff present: Mike Gerardy and Robert L. Nelson. Visitors present: Harley Doering, Brenda Beckman and Charlie Warner, Reporter (6:18 p.m.).

CONSENT AGENDA: Following brief discussion, a motion was made by Member Klug, seconded by Mayor Morey, to approve the Consent Agenda Items, listed below. All members present voted in favor and the motion was declared carried.

A. MINUTES OF PAST MEETINGS: To approve the minutes of the Regular Meeting held Monday, August 25, 2008, as presented.

B. MEMBERSHIP: To approve renewal of membership in the League of MN Cities for a fee of \$2,612.

C. MEMBERSHIP: To approve renewal of membership in the Mayors Association for period from September 1, 2008 through August 31, 2009, for a fee of \$20.

D. EMPLOYMENT: To appoint, based upon the recommendation of Ambulance Director Mike Tornstrom, Kristin Buege as an EMT and Patricia Goetzinger and Susan Felten as First Responders for the Caledonia Ambulance Service.

VISITORS AND COMMUNICATIONS

A. HARLEY DOERING: Mr. Doering asked the City Council questions concerning activities of Houston County of which the City has had no formal notifications. Mayor Morey recommended Mr. Doering contact the County Commissioners or Houston County Auditor to address his inquiries to them.

B. ADMINISTRATIVE COORDINATOR TOPICS

1. ZONING APPLICATION – BECKMAN: Brenda Beckman, 218 West Caledonia Street, reviewed her Zoning Application to construct a 24' x 30' concrete slab as the base for a future garage. The slab is proposed to be located approximately 7' from the east (side) property line, requiring a 3' setback variance. A response form had been received from Mr. and Mrs. David Ranzenberger indicating they had no objection to her proposed construction. Following discussion, a motion was made by Mayor Morey, seconded by Member Klug, to approve the Zoning Application and grant the 3' setback variance. All members present voted in favor and the motion was declared carried.

(6:10 p.m. Member Vick arrived)

2. LABOR AGREEMENT – CLOTHING ALLOWANCE: Mr. Gerardy explained to the Council there was a question on application of the clothing allowance which had been established to grant \$125 in clothing value to the employees who work outside and \$60, annually, to those who work inside. There are two positions in the City, however, that spend a substantial amount of time both inside and outside, being the Administrative Coordinators position and Custodians position. A proposed solution for the Councils consideration is to grant the clothing allowance at ½ the rate of inside and outside amounts for a calculated clothing allowance of \$90.50 for each of these two positions. Following discussion, a motion was made by Member Vick, seconded by Member Klug, to agree to a distribution of \$90.50 for the two positions mentioned. All members present voted in favor and the motion was declared carried.
3. EQUIPMENT REPAIR: Mr. Gerardy informed the Council that a fuel injection pump needed to be replacement on the 1998 ford snow hauling truck and the estimated cost was \$1,200. Following discussion, a motion was made by Mayor Morey, seconded by Member Vick, to approve up to \$1,200 for replacement of the fuel injection pump on the 1998 Ford. All members present voted in favor and the motion was declared carried.

(6:23 p.m. Member Perry arrived)

B.      **LABOR AGREEMENT – CLOTHING ALLOWANCE:** Discussion was held on a request by Chad Heuser for authorization to expend his clothing allowance since he was now hired as a police officer for the City. Clerk Nelson explained there is no language in the Labor Agreement which specifies how long a newly hired officer must wait before being expended use of the clothing allowance. While a number of officers in the past had not been given the clothing allowance use until the calendar year following their hire date, the dates of hire may have ranged from January to December of the preceding year, making one officer wait 12 months for his clothing allowance and other having to wait only 1 month. Officer Heuser contends that once hired the benefit package of the Labor Agreement applies immediately, such that the clothing allowance would be eligible for use just as the basic rates of pay or accrual of vacation or sick leave would apply. Following discussion which included mention of authorization for the City to pay for a duty belt upon Officer Heuser’s hiring, a motion was made by Member Klug, seconded by Mayor Morey, to authorize use of the clothing allowance for an amount being the difference between the authorized \$650 amount and the cost of the duty belt, previously approved. All members voted in favor and the motion was declared carried.

NEW BUSINESS

A.      **EYE GLASSES:** Clerk Nelson reviewed a bill from Franciscan Skemp Healthcare for glasses for a firefighter which had been submitted for payment at city expense. Nelson reported that these glasses apparently have a special design which enables their use inside a mask when firefighters are wearing breathing apparatus, such that a seal is maintained around the full circumference of the mask. Nelson reported he was unaware of whether these types of glasses had been purchased for firefighters previously or if this was a new request. He had conferred with two prior fire chiefs who said they had not ordered any such glasses but could understand the rational behind the order. Following discussion, a motion was made by Member Vick, seconded by Mayor Morey, that because of aging of the invoice, the City would pay for the glasses with notice to the Fire Chief and firefighter that following investigation of such purchase a reimbursement may be requested by the City. Members voting in favor: Morey, Vick, Klug and Standish. Opposed: Perry. The motion was declared carried.

CLERK’S REPORT

A.      **EMPLOYEE TIME RECORD:** Enclosed with the Agenda was the Employee Time Record for pay period for August 11 – 24, 2008. Distributed at the meeting was the Employee Time Record for pay period August 25 – September 7, 2008.

B.      **RECREATION EMPLOYEE HOURS:** Enclosed with the Agenda was a listing of all recreation employees along with the number of hours they worked during the 2008 summer season and also the number of games umpired by each individual.

C.      **POLICE DEPARTMENT REPORTS:** Enclosed with the Agenda was the Officer Activity List and Officer Activity Summary for August 2008.

**ADJOURNMENT:** There being no further business before the Council, a motion to adjourn was made by Mayor Morey and seconded by Member Vick. All members voted in favor, the motion was declared carried and the meeting then adjourned at 7:10 p.m. The next Regular Meeting of the City Council is scheduled for 6:00 p.m., Monday, September 22, 2008, in the Council Room, City Hal.
