

PARKING DURING SNOW REMOVAL;
TO FACILITATE SNOW REMOVAL
**ALTERNATE SIDE PARKING
WINTER PERIOD
GOES INTO EFFECT NOV. 1!**

Alternate Side Parking. A traffic control plan to facilitate snow plowing/removal during designated winter months, requiring all motor vehicles, trailers, wagons, dumpsters and all other obstacles to snow plowing vehicles to park on opposite sides of the street every other day.

Alternate Side Parking Daily Restrictions. City Code requires that when parking on any public roadway between 1:00 a.m. and 6:00 a.m. (early morning hours), all residents and visitors must park on the even-numbered side of any public roadway on even-numbered days and the odd-numbered side of any public roadway on odd-numbered days.

Alternate Side Parking Winter Period. The alternate side parking winter period for the city shall be from November 1 through March 31.

Violators may be fined and/or towed.

Alternate Side Parking Regulations apply regardless of weather conditions.

*Alternate Side Parking Regulations do not apply to those streets in
which parking is allowed on one side only.*
