PRESENTATIONS:

- a. Thomas W. Wenté, Principal, Smith Schafer & Associates, Ltd.
 - i. City of Caledonia financial summary for 2016: Mr. Wenté reported on the results of the independent audit of the City’s finances for 2016. Wenté praised the work of City Accountant Stephanie Mann. Wenté reported on the revenues and expenses of the governmental funds, special revenue fund, and enterprise funds. Wenté noted that the unassigned fund balance in the General Fund was \$1,070,007, which was 56% of the 2016 General Fund expenditures, an increase from 53% in 2015. Wenté also noted that the local government aid the City received from the State of Minnesota exceeded the City’s property taxes. Wenté reviewed the cash, investments, bonds, and notes for the City’s governmental funds, special revenue fund, and enterprise funds. Wenté reported that the profitability of the City’s enterprise funds was reduced by the requirement to account for their respective portion of the Public Employees Retirement Association of Minnesota underfunding.

- a. Financial incentives for Tactacam: Clerk-administrator Swann reported that the City had closed on a 10-year, \$80,000 loan to JBB Real Estate, LLC to support a renovation and expansion project at 110 N.
