REGULAR MEETING OF THE CITY COUNCIL CITY OF CALEDONIA, MINNESOTA Monday, June 9, 2014

CALL TO ORDER: Following due call and notice thereof, Mayor Burns called the meeting to order at 6:00 p.m. in the Council Room, City Hall.

ROLL CALL: Members present: Mayor Bob Burns, Council Members: DeWayne Schroeder, Paul Fisch, Bob Lemke and Member Randi Vick. City Staff Present: City Clerk/Administrator: Ted Schoonover. Guests: Caledonia Argus reporter Jordan Gerard.

AGENDA: Motion by Mayor Burns, second by Member Vick to approve the agenda as amended. All voted in favor and the motion was declared carried.

CONSENT AGENDA APPROVAL: Motion by Mayor Burns, second by Member Lemke to approve the consent agenda, which consisted of the regular meeting minutes from May 27, 2014 Regular meeting. All members present voted in favor and the motion was declared carried.

VISITORS AND COMMUNICATIONS: Mayor Burns read a letter from a concerned citizen about the flag not being illuminated at the South City of Caledonia welcome sign. Administrator Schoonover will look into remedies such as a solar powered light. Member Fisch wanted to thank Administrative Coordinator Mike Gerardy for his fast action and professionalism when Member Fisch called in a hole in Warrior Drive that posed a certain safety concern.

NEW BUSINESS: Administrator Schoonover presented a zoning permit request for the property located at 712 Maralouis Drive. He is wanting to place a 8'x12' shed to allow his customers a place to sit and wait, this is intended to be a temporary structure. He plans on eventually expanding the existing structure but needs something near term. The council wasn't sure how to proceed, there are zoning restrictions on a temporary building, so the determination of what is temporary needs to be decided. The property owner was not present so this was tabled until the next meeting.

Schoonover presented the council with the 2014 Minnesota Rural Water Associations annual dues. Motion by Mayor Burns, second by Member Schroeder to approve paying the dues. All members present voted on favor and the motion was declared carried.

Motion by Member Fisch, second by Mayor Burns to approve the purchase of the pump for the lift station on Sunnyside. Discussion was held regarding purchasing or manufacturing a screen for this lift station as this pump was just over a year old. Schoonover stated he would get some cost estimates and report back to the council. All members present voted in favor and the motion was declared carried.

Motion by Mayor Burns, second by Member Lemke to approve the gambling permits for the Caledonia Lions Club on October 10th and 18th, 2014. All members present voted in favor and the motion was declared carried.

Motion by Mayor Burns, second by Member Lemke to approve the 2014 Union Township Ambulance Subsidy Contract. All members present voted in favor and the motion was declared carried.

Administrator Schoonover had a conversation with the organizer of City fest and they have asked the city to donate the use of tables for the event. Mayor Burns stated that he had no problems with that as long as they pick them up, drop them off and ensure they don't get broken. Motion by Mayor Burns, second by Member Lemke to approve the donation of the tables to the celebration, if they are not damaged and they move them. All members present voted in favor and the motion was declared carried.

Motion by Member Fisch, second by Member Schroeder to approve the claims as presented. All members present voted in favor and the motion was declared carried.

Discussion was had in reference to the upcoming minimum wage change. If we stay with past actions the two newer employees at the liquor store will be making more than the current part-time cashiers. Historically after the 6 month probation employees get a one dollar increase. Because the law goes into effect August 1, 2014, those employees will be making \$8.00 an hour, that's a .75 increase over their current wage. And if we stay with past practices on their anniversary date they would get another dollar. Administrator Schoonover mentioned that maybe we need to look at just giving them .25 after their probation to keep them in line with the other employees. This law really doesn't affect any other departments. No action was taken.

Administrator Schoonover presented the council with a Performance Measures Program that would allow to capture additional revenues from the state if we participated. There are some stipulations and requirements but these are really items that we already track and have implemented. He also stated he wanted to do some additional research and would have the necessary paperwork prepared for the next meeting. No action taken.

Employee time sheets were reviewed.

The next regular meeting will be on Monday June 23, 2014, at 6:00 p.m.

ADJOURNMENT: There being no further business before the Council, A motion to adjourn was made by Mayor Burns, second by Member Schroeder. All voted in favor and the motion was declared carried to adjourn at 7:12 p.m.
