2023	85,000	2031	105,000

As may be requested by the Purchaser, one or more term Bonds may be issued having mandatory sinking fund redemption and final maturity amounts conforming to the foregoing principal repayment schedule, and corresponding additions may be made to the provisions of the applicable Bond(s).

(b) Book Entry Only System. The Depository Trust Company, a limited purpose trust company organized under the laws of the State of New York or any of its successors or its successors to its functions hereunder (the "Depository") will act as securities depository for the Bonds, and to this end:

(i) The Bonds shall be initially issued and, so long as they remain in book entry form only (the "Book Entry Only Period"), shall at all times be in the form of a separate single fully registered Bond for each maturity of the Bonds; and for purposes of complying with this requirement under paragraphs 5 and 10 Authorized Denominations for any Bond shall be deemed to be limited during the Book Entry Only Period to the outstanding principal amount of that Bond.

- (ii) Upon initial issuance, ownership of the Bonds shall be registered in a bond register maintained by the Bond Registrar (as hereinafter defined) in the name of CEDE & CO., as the nominee (it or any nominee of the existing or a successor Depository, the "Nominee").
- (iii) With respect to the Bonds neither the City nor the Bond Registrar shall have any responsibility or obligation to any broker, dealer, bank, or any other financial institution for which the Depository holds Bonds as securities depository (the "Participant") or the person for which a Participant holds an interest in the Bonds shown on the books and records of the Participant (the "Beneficial Owner"). Without limiting the immediately preceding sentence, neither the City, nor the Bond Registrar, shall have any such responsibility or obligation with respect to (A) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any ownership interest in the Bonds, or (B) the delivery to any Participant, any Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or (C) the payment to any Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the principal of or premium, if any, or interest on the Bonds, or (D) the consent given or other action taken by the Depository as the Registered Holder of any Bonds (the "Holder"). For purposes of securing the vote or consent of any Holder under this Resolution, the City may, however, rely upon an omnibus proxy under which the Depository assigns its consenting or voting rights to certain Participants to whose accounts the Bonds are credited on the record date identified in a listing attached to the omnibus proxy.
- (iv) The City and the Bond Registrar may treat as and deem the Depository to be the absolute owner of the Bonds for the purpose of payment of the principal of and premium, if any, and interest on the Bonds, for the purpose of giving notices of redemption and other matters with respect to the Bonds, for the purpose of obtaining any consent or other action to be taken by Holders for the purpose of registering transfers with respect to such Bonds, and for all purpose whatsoever. The Bond Registrar, as paying agent hereunder, shall pay all principal of and premium, if any, and interest on the Bonds only to the Holder or the Holders of the Bonds as shown on the bond register, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to the principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid.
- (v) Upon delivery by the Depository to the Bond Registrar of written notice to the effect that the Depository has determined to substitute a new Nominee in place of the existing Nominee, and subject to the transfer provisions in paragraph 10, references to the Nominee hereunder shall refer to such new Nominee.
- (vi) So long as any Bond is registered in the name of a Nominee, all payments with respect to the principal of and premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, by the

Bond Registrar or City, as the case may be, to the Depository as provided in the Letter of Representations to the Depository required by the Depository as a condition to its acting as book-entry Depository for the Bonds (said Letter of Representations, together with any replacement thereof or amendment or substitute thereto, including any standard procedures or policies referenced therein or applicable thereto respecting the procedures and other matters relating to the Depository's role as book-entry Depository for the Bonds, collectively hereinafter referred to as the "Letter of Representations").

- (vii) All transfers of beneficial ownership interests in each Bond issued in book-entry form shall be limited in principal amount to Authorized Denominations and shall be effected by procedures by the Depository with the Participants for recording and transferring the ownership of beneficial interests in such Bonds.
- (viii) In connection with any notice or other communication to be provided to the Holders pursuant to this Resolution by the City or Bond Registrar with respect to any consent or other action to be taken by Holders, the Depository shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action; provided, that the City or the Bond Registrar may establish a special record date for such consent or other action. The City or the Bond Registrar shall, to the extent possible, give the Depository notice of such special record date not less than fifteen calendar days in advance of such special record date to the extent possible.
- (ix) Any successor Bond Registrar in its written acceptance of its duties under this Resolution and any paying agency/bond registrar agreement, shall agree to take any actions necessary from time to time to comply with the requirements of the Letter of Representations.
- (x) In the case of a partial prepayment of a Bond, the Holder may, in lieu of surrendering the Bonds for a Bond of a lesser denomination as provided in paragraph 5, make a notation of the reduction in principal amount on the panel provided on the Bond stating the amount so redeemed.
- (c) Termination of Book-Entry Only System. Discontinuance of a particular Depository's services and termination of the book-entry only system may be effected as follows:
 - (i) The Depository may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the City and discharging its responsibilities with respect thereto under applicable law. The City may terminate the services of the Depository with respect to the Bond if it determines that the Depository is no longer able to carry out its functions as securities depository or the continuation of the system of book-entry transfers through the Depository is not in the best interests of the City or the Beneficial Owners.
 - (ii) Upon termination of the services of the Depository as provided in the preceding paragraph, and if no substitute securities depository is willing to undertake the

functions of the Depository hereunder can be found which, in the opinion of the City, is willing and able to assume such functions upon reasonable or customary terms, or if the City determines that it is in the best interests of the City or the Beneficial Owners of the Bond that the Beneficial Owners be able to obtain certificates for the Bonds, the Bonds shall no longer be registered as being registered in the bond register in the name of the Nominee, but may be registered in whatever name or names the Holder of the Bonds shall designate at that time, in accordance with paragraph 10. To the extent that the Beneficial Owners are designated as the transferee by the Holders, in accordance with paragraph 10, the Bonds will be delivered to the Beneficial Owners.

(iii) Nothing in this subparagraph (d) shall limit or restrict the provisions of paragraph 10.

(d) Letter of Representations. The provisions in the Letter of Representations are incorporated herein by reference and made a part of the resolution, and if and to the extent any such provisions are inconsistent with the other provisions of this resolution, the provisions in the Letter of Representations shall control.

3. Purpose. The Bonds shall provide funds to finance the Project. Pursuant to the Abatement Resolution, the City's share of real estate taxes generated as a result of the Program (the "Tax Abatements") have been pledged to the payment of principal on the Bonds. The principal amount of the Bonds does not exceed the maximum amount of Tax Abatements which is \$1,400,000. The total cost of the Project, which shall include all costs enumerated in Minnesota Statutes, Section 475.65, is estimated to be at least equal to the amount of the Bonds. Proceeds of the Bonds shall be expended on costs or uses permitted by Minnesota Statutes, Sections 469.1812 through 469.1815, and shall not be expended on any costs or devoted to any other uses. The City covenants that it shall do all things and perform all acts required of it to assure that work on the Project proceeds with due diligence to completion and that any and all permits and studies required under law for the Project are obtained.

4. Interest. The Bonds shall bear interest payable semiannually on February 1 and August 1 of each year (each, an "Interest Payment Date"), commencing February 1, 2017, calculated on the basis of a 360-day year of twelve 30-day months, at the respective rates per annum set forth opposite the maturity years as follows:

<u>Maturity Year</u>	<u>Interest Rate</u>	<u>Maturity Year</u>	<u>Interest Rate</u>
2018	1.00%	2026	1.65%
2019	1.00	2027	1.90
2020	1.00	2028	1.90
2021	1.20	2029	2.15
2022	1.20	2030	2.15
2023	1.40	2031	2.40
2024	1.40	2032	2.40
2025	1.65		

5. Redemption. All Bonds maturing on February 1, 2026 and thereafter, shall be subject to redemption and prepayment at the option of the City on February 1, 2025, and on any date thereafter at a price of par plus accrued interest. Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the maturities and the principal amounts within each maturity to be redeemed shall be determined by the City; and if only part of the Bonds having a common maturity date are called for prepayment, the specific Bonds to be prepaid shall be chosen by lot by the Bond Registrar. Bonds or portions thereof called for redemption shall be due and payable on the redemption date, and interest thereon shall cease to accrue from and after the redemption date. Notice of redemption shall be given by registered or certified mail at least thirty (30) days prior to the date fixed for redemption to the paying agent and to each affected registered holder of the Bonds at the address shown on the registration books.

To effect a partial redemption of Bonds having a common maturity date, the Bond Registrar prior to giving notice of redemption shall assign to each Bond having a common maturity date a distinctive number for each \$5,000 of the principal amount of such Bond. The Bond Registrar shall then select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers so assigned to such Bonds, as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. If a Bond is to be redeemed only in part, it shall be surrendered to the Bond Registrar (with, if the City or Bond Registrar so requires, a written instrument of transfer in form satisfactory to the City and Bond Registrar duly executed by the Holder thereof or the Holder's attorney duly authorized in writing) and the City shall execute (if necessary) and the Bond Registrar shall authenticate and deliver to the Holder of the Bond, without service charge, a new Bond or Bonds having the same stated maturity and interest rate and of any Authorized Denomination or Denominations, as requested by the Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

6. Bond Registrar. U.S. Bank National Association, in St. Paul, Minnesota, is appointed to act as bond registrar and transfer agent with respect to the Bonds (the "Bond Registrar"), and shall do so unless and until a successor Bond Registrar is duly appointed, all pursuant to any contract the City and Bond Registrar shall execute which is consistent herewith. The Bond Registrar shall also serve as paying agent unless and until a successor paying agent is duly appointed. Principal and interest on the Bonds shall be paid to the registered holders (or record holders) of the Bonds in the manner set forth in the form of Bond and paragraph 12 of this resolution.

7. Form of Bond. The Bonds, together with the Bond Registrar's Certificate of Authentication, the form of Assignment and the registration information thereon, shall be in substantially the following form:

This Bond will bear interest from the most recent Interest Payment Date to which interest has been paid or, if no interest has been paid, from the date of original issue hereof. The principal of and premium, if any, on this Bond are payable upon presentation and surrender hereof at the principal office of U.S. Bank National Association, in St. Paul, Minnesota (the "Bond Registrar"), acting as paying agent, or any successor paying agent duly appointed by the Issuer. Interest on this Bond will be paid on each Interest Payment Date by check or draft mailed to the person in whose name this Bond is registered (the "Holder" or "Bondholder") on the registration books of the Issuer maintained by the Bond Registrar and at the address appearing thereon at the close of business on the fifteenth day of the calendar month next preceding such Interest Payment Date (the "Regular Record Date"). Any interest not so timely paid shall cease to be payable to the person who is the Holder hereof as of the Regular Record Date, and shall be payable to the person who is the Holder hereof at the close of business on a date (the "Special Record Date") fixed by the Bond Registrar whenever money becomes available for payment of the defaulted interest. Notice of the Special Record Date shall be given to Bondholders not less than ten days prior to the Special Record Date. The principal of and premium, if any, and interest on this Bond are payable in lawful money of the United States of America. So long as this Bond is registered in the name of the Depository or its Nominee as provided in the Resolution hereinafter described, and as those terms are defined therein, payment of principal of, premium, if any, and interest on this Bond and notice with respect thereto shall be made as provided in the Letter of Representations, as defined in the Resolution, and surrender of this Bond shall not be required for payment of the redemption price upon a partial redemption of this Bond. Until termination of the book-entry only system pursuant to the Resolution, Bonds may only be registered in the name of the Depository or its Nominee.

Optional Redemption. The Bonds of this issue (the "Bonds") maturing on February 1, 2026, and thereafter, are subject to redemption and prepayment at the option of the Issuer on February 1, 2025, and on any date thereafter at a price of par plus accrued interest. Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the maturities and the principal amounts within each maturity to be redeemed shall be determined by the Issuer; and if only part of the Bonds having a common maturity date are called for prepayment, the specific Bonds to be prepaid shall be chosen by lot by the Bond Registrar. Bonds or portions thereof called for redemption shall be due and payable on the redemption date, and interest thereon shall cease to accrue from and after the redemption date. Notice of redemption shall be given by registered or certified mail at least thirty (30) days prior to the date fixed for redemption to the paying agent and to each affected registered Holder of the Bonds at the address shown on the registration books.

Prior to the date on which any Bond or Bonds are directed by the Issuer to be redeemed in advance of maturity, the Issuer will cause notice of the call thereof for redemption identifying the Bonds to be redeemed to be mailed to the Bond Registrar and all Bondholders, at the addresses shown on the Bond Register. All Bonds so called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption have been duly deposited.

Selection of Bonds for Redemption; Partial Redemption. To effect a partial redemption of Bonds having a common maturity date, the Bond Registrar shall assign to each Bond having a common maturity date a distinctive number for each \$5,000 of the principal amount of such Bond. The Bond Registrar shall then select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers assigned to the Bonds, as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of such Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. If a Bond is to be redeemed only in part, it shall be surrendered to the Bond Registrar (with, if the Issuer or Bond Registrar so requires, a written instrument of transfer in form satisfactory to the Issuer and Bond Registrar duly executed by the Holder thereof or the Holder's attorney duly authorized in writing) and the Issuer shall execute (if necessary) and the Bond Registrar shall authenticate and deliver to the Holder of such Bond, without service charge, a new Bond or Bonds of the same series having the same stated maturity and interest rate and of any Authorized Denomination or Denominations, as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

Issuance; Purpose; General Obligation. This Bond is one of an issue in the total principal amount of \$1,370,000, all of like date of original issue and tenor, except as to number, maturity, interest rate, denomination and redemption privilege, issued pursuant to and in full conformity with the Constitution and laws of the State of Minnesota and a resolution adopted by the City Council on June 27, 2016 (the "Resolution"), to finance the repair and improvement of the City's aquatic park facility for which property taxes are levied and/or abated as described in the Resolution. This Bond is payable out of the General Obligation Tax Abatement Bonds, Series 2016A Fund of the Issuer. This Bond constitutes a general obligation of the Issuer, and to

The Bonds are issuable solely in fully registered form in Authorized Denominations (as defined in the Resolution) and are exchangeable for fully registered Bonds of other Authorized Denominations in equal aggregate principal amounts at the principal office of the Bond Registrar, but only in the manner and subject to the limitations provided in the Resolution. Reference is hereby made to the Resolution for a description of the rights and duties of the Bond Registrar. Copies of the Resolution are on file in the principal office of the Bond Registrar.

Transfer. This Bond is transferable by the Holder in person or by the Holder's attorney duly authorized in writing at the principal office of the Bond Registrar upon presentation and surrender hereof to the Bond Registrar, all subject to the terms and conditions provided in the Resolution and to reasonable regulations of the Issuer contained in any agreement with the Bond Registrar. Fees upon Transfer or Loss. The Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with the transfer or exchange of this Bond and any legal or unusual costs regarding transfers and lost Bonds.

Treatment of Registered Owners. The Issuer and Bond Registrar may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except as otherwise provided herein with respect to the Record Date) and for all other purposes, whether or not this Bond shall be overdue, and neither the Issuer nor the Bond Registrar shall be affected by notice to the contrary.

Authentication. This Bond shall not be valid or become obligatory for any purpose or be entitled to any security unless the Certificate of Authentication hereon shall have been executed by the Bond Registrar.

14. Delivery; Application of Proceeds. The Bonds when so prepared and executed shall be delivered by the Administrator-Clerk to the Purchaser upon receipt of the purchase price, and the Purchaser shall not be obliged to see to the proper application thereof.

15. Fund and Accounts. There is hereby established a special fund to be designated "General Obligation Tax Abatement Bonds, Series 2016A Fund" (the "Fund") to be administered and maintained by the Administrator-Clerk as a bookkeeping account separate and apart from all other funds maintained in the official financial records of the City. The Fund shall be maintained

in the manner herein specified until all of the Bonds and interest thereon have been fully paid. There shall be maintained in the Fund the following separate accounts;

(a) Construction Account. To the Construction Account there shall be credited the proceeds of the sale of the Bonds, less any amount paid for the Bonds in excess of the minimum bid. From the Construction Account there shall be paid all costs and expenses of the Project, including the cost of any construction contracts heretofore let and all other costs incurred and to be incurred of the kind authorized in Minnesota Statutes, Section 475.65. Moneys in the Construction Account shall be used for no other purpose except as otherwise provided by law. Proceeds of the Bonds may be used to the extent necessary to pay interest on the Bonds due prior to the anticipated date of commencement of the collection of Tax Abatements and taxes herein levied or covenanted to be levied and if upon completion of the Project there shall remain any unexpended balance in the Construction Account, the balance shall be transferred to the Debt Service Account.

(b) Debt Service Account. To the Debt Service Account there is hereby irrevocably appropriated and pledged, and there shall be credited (i) Tax Abatements in an amount sufficient to pay the annual principal payments on the Bonds; (ii) any amount paid for the Bonds in excess of the minimum bid; (iii) any collections of all taxes heretofore, herein and hereafter levied for the payment of the interest on the Bonds; (iv) all funds remaining in the Construction Account after completion of the Project and payment of the costs thereof; (v) all investment earnings on funds held in the Debt Service Account; and (vi) any and all other moneys which are properly available and are appropriated by the governing body of the City to the Debt Service Account. The Debt Service Account shall be used solely to pay the principal and interest and any premiums for redemption of the Bonds.

No portion of the proceeds of the Bonds shall be used directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (1) for a reasonable temporary period until such proceeds are needed for the purpose for which the Bonds were issued and (2) in addition to the above in an amount not greater than the lesser of five percent of the proceeds of the Bonds or \$100,000. To this effect, any proceeds of the Bonds and any sums from time to time held in the Construction Account or Debt Service Account (or any other City account which will be used to pay principal or interest to become due on the bonds payable therefrom) in excess of amounts which under then applicable federal arbitrage regulations may be invested without regard to yield shall not be invested at a yield in excess of the applicable yield restrictions imposed by said arbitrage regulations on such investments after taking into account any applicable "temporary periods" or "minor portion" made available under the federal arbitrage regulations. Money in the Fund shall not be invested in obligations or deposits issued by, guaranteed by or insured by the United States or any agency or instrumentality thereof if and to the extent that such investment would cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Internal Revenue Code of 1986, as amended (the "Code").

16. Tax Abatements; Use of Tax Abatements. The Council has adopted the Abatement Resolution and has thereby approved the Tax Abatements, including the pledge thereof to the payment of principal of the Bonds. As provided in the Abatement Resolution, the estimated total amount of Tax Abatements, if received as estimated for the full maximum term

thereof, is \$1,400,000, and therefore the principal amount of the Bonds does not exceed the maximum projected amount of the Tax Abatements. The Council hereby confirms the Abatement Resolution, which is hereby incorporated as though set forth herein.

17. Tax Levy; Coverage Test. To provide moneys, together with the Tax Abatements, for payment of the interest on the Bonds, there is hereby levied upon all of the taxable property in the City a direct annual ad valorem tax which shall be spread upon the tax rolls and collected with and as part of other general property taxes in the City for the years and in the amounts as follows:

<u>Year of Tax Levy</u>	<u>Year of Tax Collection</u>	<u>Amount</u>
-------------------------	-------------------------------	---------------

See attached Exhibit B

In addition, the City has heretofore levied, in the year 2015 for collection in the year 2016, a direct ad valorem tax in the amount of \$7,195, which shall be spread upon the tax rolls and collected with and as part of other general property taxes in the City. This tax levy shall be used to pay interest on the Bonds on February 1, 2017 and August 1, 2017. The tax levies are such that if collected in full they, together with estimated collections of Tax Abatements, will produce at least five percent in excess of the amount needed to meet when due the principal and interest payments on the Bonds. The tax levies shall be irrevocable so long as any of the Bonds are outstanding and unpaid, provided that the City reserves the right and power to reduce the levies in the manner and to the extent permitted by Minnesota Statutes, Section 475.61, Subdivision 3.

18. General Obligation Pledge. For the prompt and full payment of the principal of and interest on the Bonds as the same respectively become due, the full faith, credit and taxing powers of the City shall be and are hereby irrevocably pledged. If the balance in the Debt Service Account is ever insufficient to pay all principal and interest then due on the Bonds payable therefrom, the deficiency shall be promptly paid out of any other accounts of the City which are available for such purpose, and such other funds may be reimbursed without interest from the Debt Service Account when a sufficient balance is available therein.

19. Defeasance. When all Bonds have been discharged as provided in this paragraph, all pledges, covenants and other rights granted by this resolution to the registered holders of the Bonds shall, to the extent permitted by law, cease. The City may discharge its obligations with respect to any Bonds which are due on any date by irrevocably depositing with the Bond Registrar on or before that date a sum sufficient for the payment thereof in full; or if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Bond Registrar a sum sufficient for the payment thereof in full with interest accrued to the date of such deposit. The City may also discharge its obligations with respect to any prepayable Bonds called for redemption on any date when they are prepayable according to their terms, by depositing with the Bond Registrar on or before that date a sum sufficient for the payment thereof in full, provided that notice of redemption thereof has been duly given. The City may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a suitable banking institution qualified by law as an escrow agent for this purpose, cash or

securities described in Minnesota Statutes, Section 475.67, Subdivision 8, bearing interest payable at such times and at such rates and maturing on such dates as shall be required, without regard to sale and/or reinvestment, to pay all amounts to become due thereon to maturity or, if notice of redemption as herein required has been duly provided for, to such earlier redemption date.

20. Compliance With Reimbursement Bond Regulations. The provisions of this paragraph are intended to establish and provide for the City's compliance with United States Treasury Regulations Section 1.150-2 (the "Reimbursement Regulations") applicable to the "reimbursement proceeds" of the Bonds, being those portions thereof which will be used by the City to reimburse itself for any expenditure which the City paid or will have paid prior to the Closing Date (a "Reimbursement Expenditure").

The City hereby certifies and/or covenants as follows:

(a) Not later than sixty (60) days after the date of payment of a Reimbursement Expenditure, the City (or person designated to do so on behalf of the City) has made or will have made a written declaration of the City's official intent (a "Declaration") which effectively (i) states the City's reasonable expectation to reimburse itself for the payment of the Reimbursement Expenditure out of the proceeds of a subsequent borrowing; (ii) gives a general and functional description of the property, project or program to which the Declaration relates and for which the Reimbursement Expenditure is paid, or identifies a specific fund or account of the City and the general functional purpose thereof from which the Reimbursement Expenditure was to be paid (collectively the "Project"); and (iii) states the maximum principal amount of debt expected to be issued by the City for the purpose of financing the Project; provided, however, that no such Declaration shall necessarily have been made with respect to: (i) "preliminary expenditures" for the Project, defined in the Reimbursement Regulations to include engineering or architectural, surveying and soil testing expenses and similar prefatory costs, which in the aggregate do not exceed twenty percent (20%) of the "issue price" of the Bonds, and (ii) a *de minimis* amount of Reimbursement Expenditures not in excess of the lesser of \$100,000 or five percent (5%) of the proceeds of the Bonds.

(b) Each Reimbursement Expenditure is a capital expenditure or a cost of issuance of the Bonds or any of the other types of expenditures described in Section 1.150-2(d)(3) of the Reimbursement Regulations.

(c) The "reimbursement allocation" described in the Reimbursement Regulations for each Reimbursement Expenditure shall and will be made forthwith following (but not prior to) the issuance of the Bonds and in all events within the period ending on the date which is the later of three years after payment of the Reimbursement Expenditure or one year after the date on which the Project to which the Reimbursement Expenditure relates is first placed in service.

(d) Each such reimbursement allocation will be made in a writing that evidences the City's use of Bond proceeds to reimburse the Reimbursement Expenditure and, if made within 30 days after the Bonds are issued, shall be treated as made on the day the Bonds are issued.

Provided, however, that the City may take action contrary to any of the foregoing covenants in this paragraph upon receipt of an opinion of its Bond Counsel for the Bonds stating in effect that such action will not impair the tax-exempt status of the Bonds.

21. Certificate of Registration. The City Clerk is hereby directed to file a certified copy of this resolution with the County Auditor of Houston County, Minnesota, together with such other information as the Auditor shall require, and to obtain the Auditor's certificates that the Bonds have been entered in the Auditor's Bond Register.

22. Continuing Disclosure. The City is the sole obligated person with respect to the Bonds. The City hereby agrees, in accordance with the provisions of Rule 15c2-12 (the "Rule"), promulgated by the Securities and Exchange Commission (the "Commission") pursuant to the Securities Exchange Act of 1934, as amended, and a Continuing Disclosure Undertaking (the "Undertaking") hereinafter described to:

(a) provide or cause to be provided to the Municipal Securities Rulemaking Board (the "MSRB") by filing at www.emma.msrb.org, (i) at least annually, its audited financial statements for the most recent fiscal year, and (ii) notice of the occurrence of certain events with respect to the Bonds in not more than ten (10) business days after the occurrence of such event, in accordance with the Undertaking; and

(b) its covenants pursuant to the Rule set forth in this paragraph and in the Undertaking is intended to be for the benefit of the Holders of the Bonds and shall be enforceable on behalf of such Holders; provided that the right to enforce the provisions of these covenants shall be limited to a right to obtain specific enforcement of the City's obligations under the covenants.

The Mayor and Administrator-Clerk of the City, or any other officer of the City authorized to act in their place (the "Officers") are hereby authorized and directed to execute on behalf of the City the Undertaking in substantially the form presented to the City Council subject to such modifications thereof or additions thereto as are (i) consistent with the requirements under the Rule, (ii) required by the Purchaser of the Bonds, and (iii) acceptable to the Officers.

23. Records and Certificates. The officers of the City are hereby authorized and directed to prepare and furnish to the Purchaser, and to the attorneys approving the legality of the issuance of the Bonds, certified copies of all proceedings and records of the City relating to the Bonds and to the financial condition and affairs of the City, and such other affidavits, certificates and information as are required to show the facts relating to the legality and marketability of the Bonds as the same appear from the books and records under their custody and control or as otherwise known to them, and all such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the City as to the facts recited therein.

24. Negative Covenant as to Use of Bond Proceeds and Project. The City hereby covenants not to use the proceeds of the Bonds or to use the Improvements, or to cause or permit them to be used, or to enter into any deferred payment arrangements for the cost of the Improvements, in such a manner as to cause the Bonds to be "private activity bonds" within the meaning of Sections 103 and 141 through 150 of the Code.

25. Tax-Exempt Status of the Bonds; Rebate. The City shall comply with requirements necessary under the Code to establish and maintain the exclusion from gross income under Section 103 of the Code of the interest on the Bonds, including without limitation (i) requirements relating to temporary periods for investments, (ii) limitations on amounts invested at a yield greater than the yield on the Bonds, and (iii) the rebate of excess investment earnings to the United States, if the Bonds (together with other obligations reasonably expected to be issued and outstanding at one time in this calendar year) exceed the small issuer exception amount of \$5,000,000.

For purposes of qualifying for the small issuer exception to the federal arbitrage rebate requirements for governmental units issuing \$5,000,000 or less of bonds, the City hereby finds, determines and declares that (i) the Bonds are issued by a governmental unit with general taxing powers; (ii) no Bond is a private activity bond; (iii) ninety five percent or more of the net proceeds of the Bonds are to be used for local governmental activities of the City (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the City); and (iv) the aggregate face amount of all tax exempt bonds (other than private activity bonds) issued by the City (and all subordinate entities thereof, and all entities treated as one issuer with the City) during the calendar year in which the Bonds are issued and outstanding at one time is not reasonably expected to exceed \$5,000,000, all within the meaning of Section 148(f)(4)(D) of the Code.

26. Designation of Qualified Tax-Exempt Obligations. In order to qualify the Bonds as "qualified tax exempt obligations" within the meaning of Section 265(b)(3) of the Code, the City hereby makes the following factual statements and representations:

- (a) the Bonds are issued after August 7, 1986;
- (b) the Bonds are not "private activity bonds" as defined in Section 141 of the Code;
- (c) the City hereby designates the Bonds as "qualified tax exempt obligations" for purposes of Section 265(b)(3) of the Code;
- (d) the reasonably anticipated amount of tax-exempt obligations (other than private activity bonds, treating qualified 501(c)(3) bonds as not being private activity bonds) which will be issued by the City (and all entities treated as one issuer with the City, and all subordinate entities whose obligations are treated as issued by the City) during this calendar year 2016 will not exceed \$10,000,000;
- (e) not more than \$10,000,000 of obligations issued by the City during this calendar year 201 have been designated for purposes of Section 265(b)(3) of the Code; and
- (f) the aggregate face amount of the Bonds does not exceed \$10,000,000.

The City shall use its best efforts to comply with any federal procedural requirements which may apply in order to effectuate the designation made by this paragraph.

27. Official Statement. The Official Statement relating to the Bonds prepared and distributed by David Drown is hereby approved and the officers of the City are authorized in

connection with the delivery of the Bonds to sign such certificates as may be necessary with respect to the completeness and accuracy of the Official Statement.

28. Severability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

29. Headings. Headings in this resolution are included for convenience of reference only and are not a part hereof, and shall not limit or define the meaning of any provision hereof.
