AN ORDINANCE GRANTING A FRANCHISE TO MEDIACOM MINNESOTA, LLC (“MEDIACOM”) TO OPERATE AND MAINTAIN A CABLE SYSTEM IN THE CITY OF CALEDONIA, MINNESOTA AND SETTING FORTH CONDITIONS ACCOMPANYING THE GRANT OF THE FRANCHISE.

On October 23, 2017, the City of Caledonia, Minnesota (“City”) adopted Ordinance 2017-002 (“Ordinance”), an Ordinance granting a cable television franchise to Mediacom. The Ordinance serves two purposes. First, it is intended to provide for and specify the means to attain the best possible cable service for the public by providing requirements for cable with respect to technical standards, customer service obligations, and related matters. Second, it grants a non-exclusive cable franchise to Mediacom to operate, construct and maintain a cable system within the City and contains specific requirements for Mediacom to do so.

The Ordinance includes the following provisions: 1) imposes on Mediacom a franchise fee of five percent (5%) of Mediacom’s annual gross revenues; 2) establishes a franchise term of ten (10) years; 3) provides a list of public buildings entitled to receive complimentary cable service; 4) requires Mediacom to dedicate channel capacity for public, educational and governmental programming and provides capital support of such channels; 5) mandates customer service standards regarding Mediacom’s provision of cable services; and 6) requires a security fund to enforce Mediacom’s compliance with the Ordinance.
