TERM BOND OPTION

Bids for the bonds may contain a maturity schedule providing for a combination of serial bonds and term bonds. All term bonds shall be subject to mandatory sinking fund redemption and must conform to the maturity schedule set forth above at a price of par plus accrued interest to the date of redemption. In order to designate term bonds, the bid must specify as provided on the Proposal Form.

BOOK ENTRY SYSTEM

The Bonds will be issued by means of a book entry system with no physical distribution of Bonds made to the public. The Bonds will be issued in fully registered form and one Bond, representing the aggregate principal amount of the Bonds maturing in each year, will be registered in the name of Cede & Co. as nominee of The Depository Trust Company ("DTC"), New York, New York, which will act as securities depository of the Bonds. Individual purchases of the Bonds may be made in the principal amount of $5,000 or any multiple thereof of a single maturity through book entries made on the books and records of DTC and its participants. Principal and interest are payable by the registrar to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants will be the responsibility of such participants and other nominees of beneficial owners. The purchaser, as a condition of delivery of the Bonds, will be required to deposit the Bonds with DTC.

REGISTRAR

The City will name U.S. Bank, N.A., St. Paul, MN, as registrar for the Bonds. U.S. Bank, N.A., subject to applicable SEC regulations. The City will pay for the services of the registrar.

OPTIONAL REDEMPTION

The City may elect on February 1, 2026 and on any day thereafter, to prepay Bonds due on or after February 1, 2027. Redemption may be in whole or in part and if in part at the option of the City and in such manner as the City shall determine. If less than all Bonds of a maturity are called for redemption, the City will notify DTC of the particular amount of such maturity to be prepaid. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interests in such maturity to be redeemed. All prepayments shall be at a price of par plus accrued interest.

SECURITY AND PURPOSE

The Bonds will be general obligations of the City for which the City will pledge its full faith and credit and power to levy direct general ad valorem taxes. The proceeds will provide financing for the 2018 North Kingston Street and Utility Reconstruction Project as defined in the Street Reconstruction Plan adopted February 26, 2018 within the City.

TYPE OF PROPOSALS

Proposals shall be for not less than $1,595,700.00 (98.5%) and accrued interest on the total principal amount of the Bonds. The apparent low bidder as notified by David Drown Associates, Inc. shall wire, to a designated account, a good faith amount of $32,400 by 3:00 p.m. on the date of sale. If the good faith wire transfer is not in process prior to the award, the City shall retain the right to reject the bid. In the event the purchaser fails to comply with the accepted proposal, said amount will be retained by the City. No proposal can be withdrawn or amended after the time set for receiving proposals unless the meeting of the City scheduled for award of the Bonds is adjourned, recessed, or continued to another date without award of the Bonds having been made. Rates shall be in integral multiples of 5/100 or 1/8 of 1%. Rates must be in ascending order. Bonds of the same maturity shall bear a single rate from the date of the Bonds to the date of maturity. No conditional proposals will be accepted.
AWARD

The Bonds will be awarded on the basis of the lowest interest rate to be determined on a net interest cost (NIC) basis. The City’s computation of the interest rate of each proposal, in accordance with customary practice, will be controlling. The City will reserve the right to waive non-substantive informalities of any proposal or of matters relating to the receipt of proposals and award of the Bonds, reject all proposals without cause, and reject any proposal which the City determines to have failed to comply with the terms herein.

ISSUE PRICE DETERMINATION

In order to provide the City with information necessary for compliance with Section 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder (collectively, the “Code”), the Purchaser will be required to assist the City in establishing the issue price of the Bonds and shall complete, execute, and deliver to the City prior to the closing date, a written certification in a form acceptable to the Purchaser, the City, and Bond Counsel (the “Issue Price Certificate”) containing the following for each maturity of the Bonds (and, if different interest rates apply within a maturity, to each separate CUSIP number within that maturity): (i) the interest rate; (ii) the reasonably expected initial offering price to the “public” (as said term is defined in Treasury Regulation Section 1.148-1(f) (the “Regulation”)) or the sale price; and (iii) pricing wires or equivalent communications supporting such offering or sale price. However, such Issue Price Certificate may indicate that the Purchaser has purchased the Bonds for its own account in a capacity other than as an underwriter or wholesaler, and currently has no intent to reoffer the Bonds for sale to the public. Any action to be taken or documentation to be received by the City pursuant hereto may be taken or received on behalf of the City by David Drown Associates, Inc.

The City intends that the sale of the Bonds pursuant to this Terms of Offering shall constitute a “competitive sale” as defined in the Regulation based on the following:

i. the City shall cause this Terms of Offering to be disseminated to potential bidders in a manner that is reasonably designed to reach potential bidders;

ii. all bidders shall have an equal opportunity to submit a bid;

iii. the City reasonably expects that it will receive bids from at least three bidders that have established industry reputations for underwriting municipal bonds such as the Bonds; and

iv. the City anticipates awarding the sale of the Bonds to the bidder who provides a proposal with the lowest net interest cost, as set forth in this Terms of Offering (See “AWARD” herein).

Any bid submitted pursuant to this Terms of Offering shall be considered a firm offer for the purchase of the Bonds, as specified in the proposal. The Purchaser shall constitute an “underwriter” as said term is defined in the Regulation. By submitting its proposal, the Purchaser confirms that it shall require any agreement among underwriters, a selling group agreement, or other agreement to which it is a party relating to the initial sale of the Bonds, to include provisions requiring compliance with the provisions of the Code and the Regulation regarding the initial sale of the Bonds.

If all requirements of a “competitive sale” are not satisfied, the City shall advise the Purchaser of such fact prior to the time of award of the sale of the Bonds to the Purchaser. In such event, any proposal submitted will not be subject to cancellation or withdrawal. Within twenty-four (24) hours of the notice of award of the sale of the Bonds, the Purchaser shall advise the City and David Drown Associates, Inc. if a "substantial amount" (as defined in the Regulation) of any maturity of the Bonds (and, if different interest rates apply within a maturity, to each separate CUSIP number within that maturity) has been sold to the public and the price at which such substantial amount was sold. The City will treat such sale price as the “issue price” for such maturity, applied on a maturity-by-maturity basis. The City will not require the Purchaser to comply with that portion of the Regulation commonly described as the “hold-the-offering-price” requirement for the remaining maturities, but the Purchaser may elect such option. If the Purchaser exercises such option, the City will apply the initial offering price to the public provided in the proposal as the issue price for such maturities. If the Purchaser does not exercise that option, it shall thereafter promptly provide the City and David Drown Associates, Inc. the prices at which a substantial amount of such

A-3
maturities are sold to the public; provided such determination shall be made and the City and David Drown Associates, Inc. notified of such prices not later than three (3) business days prior to the closing date.

BOND INSURANCE AT PURCHASER’S OPTION

If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of the underwriter, the purchase of any such insurance policy or the issuance of any such commitment shall be at the sole option and expense of the purchaser of the Bonds. Any increased costs of issuance of the Bonds resulting from such purchase of insurance shall be paid by the purchaser, except that, if the City has requested and received a rating on the Bonds from a rating agency, the City will pay that rating fee. Any other rating agency fees shall be the responsibility of the purchaser. Failure of the municipal bond insurer to issue the policy after Bonds have been awarded to the purchaser shall not constitute cause for failure or refusal by the purchaser to accept delivery on the Bonds.

CUSIP NUMBERS

If the Bonds qualify for assignment of CUSIP numbers such numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto will constitute cause for failure or refusal by the purchaser to accept delivery of the Bonds. The purchaser shall pay the CUSIP Service Bureau charge for the assignment of CUSIP identification numbers.

SETTLEMENT

Within 40 days following the date of their award, the Bonds will be delivered without cost to the purchaser at a place mutually satisfactory to the City and the purchaser. Delivery will be subject to receipt by the purchaser of an approving legal opinion of bond counsel, and of customary closing papers, including a no-litigation certificate. On the date of settlement payment for the Bonds shall be made in federal, or equivalent, funds which shall be received at the offices of the City or its designee not later than 12:00 Noon, Central Time. Except as compliance with the terms of payment for the Bonds shall have been made impossible by action of the City, or its agents, the purchaser shall be liable to the City for any loss suffered by the City by reason of the purchaser’s non-compliance with said terms for payment.

LIMITED CONTINUING DISCLOSURE

On the date of the actual issuance and delivery of the Bonds, the City will execute and deliver a Continuing Disclosure Undertaking where under the City will covenant to provide, or cause to be provided, annual financial Information, including audited financial statements of the City, and notices of certain material events, as specified in and required by SEC Rule 15c2-12(b)(5).

OFFICIAL STATEMENT

The City has authorized the preparation of an Official Statement containing pertinent information relative to the Bonds, and said Official Statement will serve as a nearly final Official Statement within the meaning of Rule 15c2-12 of the Securities and Exchange Commission. For copies of the Official Statement or for any additional information prior to sale, any prospective purchaser is referred to the Financial Advisor to the City, David Drown Associates, Inc., 5029 Upton Avenue South, Minneapolis, Minnesota 55410, and telephone (612) 920-3320.

The Official Statement, when further supplemented by an addendum or addenda specifying the maturity dates, principal amounts and interest rates of the Bonds, together with any other information required by law, shall constitute a "Final Official Statement" of the City with respect to the Bonds, as that term is defined in Rule 15c2-12. By awarding the Bonds to any underwriter or underwriting syndicate submitting a proposal therefor, the City agrees that, no more than seven business days after the date of such award, it shall provide without cost to the senior managing underwriter of the syndicate to which the Bonds are awarded 40 copies of the Official Statement and the addendum or addenda described above. The City designates the senior managing underwriter of the syndicate to which the Bonds are awarded as its agent for purposes of distributing copies of the Final Official Statement to each Participating Underwriter. Any underwriter delivering a proposal with respect to the Bonds agrees thereby that if its proposal is accepted by the City (i) it shall accept such designation and (ii) it shall enter into a contractual relationship with all Participating
Underwriters of the Bonds for purposes of assuring the receipt by each such Participating Underwriter of the Final Official Statement.
