WHEREAS, a contract or contracts for the Project have been made by the City with the approval of the PFA and all other state and federal agencies of which approval is required:

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Caledonia, Houston County, Minnesota, as follows:

1. Acceptance of Offer; Payment. The offer of the PFA to purchase a \$333,149 General Obligation Water Revenue Note of 2020 of the City (the "Note"), at the rate of interest hereinafter set forth, and to pay therefor the sum of \$333,149 as provided below, is hereby accepted, and the sale of the Note is hereby awarded to the PFA. Payment for the Note shall be disbursed in installments as eligible costs of the Project are reimbursed or paid, all as provided in the Bond Purchase and Project Loan Agreement.

2. Title; Date; Denomination; Interest Rates; Maturities. The Note shall be a fully registered negotiable obligation, shall be titled "General Obligation Water Revenue Note of 2020", shall be dated as of the date of delivery and shall be issued forthwith. The Note shall be in the principal amount of \$333,149, or so much thereof as shall be disbursed pursuant to the Bond Purchase and Project Loan Agreement, shall bear interest on so much of the principal amount of the Note as may be disbursed and remains unpaid until the principal amount of the Note has been paid or has been provided for, at the rate of 1.00% per annum (calculated on the basis of a 360-day year of twelve 30-day months). Interest on the Note is payable semi-annually on February 20 and August 20, commencing February 20, 2021. Interest starts accruing as of the date of the initial disbursement. Principal on the Note shall mature on August 20 of the years and in the installments as follows:

The principal installments shall be paid in the amounts scheduled above even if at the time of payment the full principal amount of the Note has not been disbursed; provided that if the full principal amount of the Note is never disbursed, the amount of the principal not disbursed shall be applied to reduce each unpaid principal installment in the proportion that such installment bears to the total of all unpaid principal installments (i.e., the remaining principal payment schedule shall be reamortized to provide similarly level annual installments of total debt service payments). Principal, interest and any premium due under the Note will be paid on each payment date by wire payment, or by check or draft mailed at least five business days prior to the payment date to the person in whose name the Note is registered, in any coin or currency of the United States which at the time of payment is legal tender for public and private debts.

Interest on the Note includes amounts treated by the PFA as service fees.

3. Purpose; Cost. The proceeds of the Note shall provide funds to finance construction of the Project. The total cost of the construction of the Project, including legal and other professional charges, publication and printing costs, interest accruing on money borrowed for the Project before the collection of net revenues pledged and appropriated therefor, and all other costs necessarily incurred and to be incurred from the inception to the completion of the Project, is estimated to be at least equal to the amount of the Note. The City covenants that it shall do all things and perform all acts required of it to assure that work on the Project proceeds with due diligence to completion and that any and all permits and studies required under law for the Project are obtained.

4. Redemption. The Note shall be subject to redemption and prepayment in whole or in part at the option of the City, subject to the written consent of the PFA, or mandatorily as provided in the Bond Purchase and Project Loan Agreement.

5. Registration of Note. The Note shall be prepared for execution with an appropriate text and spaces for notation of registration. The force and effect of such registration shall be as stated in the form of Note hereinafter set forth. Payment of principal installments and interest, whether upon redemption or otherwise, made with respect to the Note, may be made to the registered holder thereof or to the registered holder's legal representative, without presentation or surrender of the Note.

6. Form of Note. The Note, together with the Certificate of Registration attached thereto, shall be in substantially the following form:

Thereafter this Note may be transferred to a bona fide purchaser only by delivery with an assignment duly executed by the registered owner or the registered owner's legal representative, and the City may treat the registered owner as the person exclusively entitled to exercise all the rights and powers of an owner until this Note is presented with such assignment for registration of transfer, accompanied by assurance of the nature

provided by law that the assignment is genuine and effective, and until such transfer is registered on said books and noted hereon by the Clerk/Administrator.

Fees Upon Transfer or Loss. The Clerk/Administrator may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with the transfer of this Note and any legal or unusual costs regarding transfers and lost notes.

Bond Purchase and Project Loan Agreement. The terms and conditions of the Bond Purchase and Project Loan Agreement are incorporated herein by reference and made a part hereof. The Bond Purchase and Project Loan Agreement may be attached to this Note, and shall be attached to this Note if the holder of this Note is any person other than the Minnesota Public Facilities Authority.

Tax-Exempt Obligation. The City intends that the interest on this Note will be excluded from gross income for United States income tax purposes or from both gross income and taxable net income for State of Minnesota income tax purposes.

7. Execution. The Note shall be executed on behalf of the City by the electronic signatures or manual signatures of its Mayor and Clerk/Administrator; the seal of the City has been intentionally omitted as permitted by law. The electronic signature of the Mayor and/or the Clerk/Administrator to this resolution and to any certificate authorized to be executed hereunder shall be as valid as an original signature of such party and shall be effective to bind the City thereto. For purposes hereof, (i) "electronic signature" means (a) a manually signed original signature that is then transmitted by electronic means or (b) a signature obtained through DocuSign or a similarly digitally auditable signature gathering process; and (ii) "transmitted by electronic means" means sent in the form of a facsimile or sent via the internet as a portable document format ("pdf") or other replicating image attached to an electronic mail or internet message. In the event of disability or resignation or other absence of either such officer, the Note may be signed by electronic signature or manual signature of that officer who may act on behalf of such absent or disabled officer. In case either such officer whose signature shall appear on the Note shall cease to be such officer before the delivery of the Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

8. Delivery; Application of Proceeds. The Note when so prepared and executed shall be delivered by the Finance Officer to the purchaser thereof prior to disbursements pursuant to the Bond Purchase and Project Loan Agreement, and the purchaser shall not be obliged to see to the proper application thereof.

9. Fund and Accounts. There has heretofore been created a separate fund in the City treasury designated the Water Fund (the "Fund"). The Finance Officer and all municipal officials and employees concerned therewith shall maintain financial records of the receipts and disbursements of the Water System in accordance with the resolutions establishing the Fund. The Operation and Maintenance Account heretofore established by the City for the Water System shall continue to be maintained in the manner heretofore provided by the City. All moneys remaining after paying or providing for the items set forth in the resolution establishing the Operation and Maintenance Account shall constitute and are referred to as "net revenues" until the Note has been paid. There shall be maintained in the Fund the following accounts:

(a) A "PFA Construction Account", to which shall be credited all proceeds received from the sale of the Note. The Note shall be the only source of moneys credited to the PFA Construction Account. It is recognized that the sale proceeds of the Note are received in reimbursement for costs expended on the Project or in direct payment of such costs, and that accordingly the moneys need not be placed in the PFA Construction Account upon receipt but may be applied immediately to reimburse the source from which the expenditure was made. The moneys in the PFA Construction Account shall be used solely for the purpose of paying for the cost of constructing the Project, including all costs enumerated in Minnesota Statutes, Section 475.65, provided that such moneys shall only be expended for costs and expenses which are permitted under the Bond Purchase and Project Loan Agreement. The PFA prohibits the use of proceeds of the Note to reimburse costs initially paid from proceeds of other obligations of the City unless otherwise specifically approved. Upon completion of the Project and the payment of the costs thereof, any surplus shall be transferred to the PFA Debt Service Account.

(b) A "PFA Debt Service Account", to which shall be irrevocably appropriated, pledged and credited: (i) net revenues of the Water System in an amount sufficient to pay the principal of, and interest on, the Note when due; (ii) any collection of taxes which may hereafter

be levied in the event the net revenues of the Water System herein pledged for the payment of the Note are insufficient therefor; (iii) all investment earnings on moneys held in the PFA Debt Service Account; (iv) any amounts transferred from the PFA Construction Account; and (v) any other moneys which are properly available and are appropriated by the City Council to the PFA Debt Service Account. The moneys in the PFA Debt Service Account shall be used only to pay or prepay the principal of, and interest on, the Note and any other general obligation bonds hereafter issued and made payable from the PFA Debt Service Account, and to pay any rebate due to the United States with respect to the PFA Bonds in connection with the Note.

No portion of the proceeds of the Note shall be used directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (1) for a reasonable temporary period until such proceeds are needed for the purpose for which the Note was issued, and (2) in addition to the above in an amount not greater than the lesser of five percent of the proceeds of the Note or \$100,000. To this effect, any proceeds of the Note or any sums from time to time held in the PFA Construction Account, Operation and Maintenance Account or PFA Debt Service Account (or any other City account which will be used to pay principal or interest to become due on the Note) in excess of amounts which under then applicable federal arbitrage regulations may be invested without regard to yield shall not be invested at a yield in excess of the applicable yield restrictions imposed by said arbitrage regulations on such investments after taking into account any applicable "temporary periods" or "minor portion" made available under the federal arbitrage regulations. In addition, moneys in the Fund shall not be invested in obligations or deposits issued by, guaranteed by or insured by the United States or any agency or instrumentality thereof if and to the extent that such investment would cause the Note to be "federally guaranteed" within the meaning of Section 149(b) of the federal Internal Revenue Code of 1986, as amended (the "Code").

The City shall observe the covenants of paragraphs 16, 17 and 18 of this resolution and of Article 3 of the Bond Purchase and Project Loan Agreement with regard to the Fund.

10. Coverage Test; Pledge of Net Revenues; Excess Revenues. It is hereby found, determined and declared that the net revenues of the Water System are sufficient in amount to pay when due the principal of and interest on the Note and a sum at least five percent in excess thereof. It is hereby found, determined and declared that the net revenues of the Water System and the Sewer System are sufficient in amount to pay when due the principal of and interest on the Outstanding System Bonds and a sum at least five percent in excess thereof. The net revenues of the Water System are hereby pledged on a parity lien with the Outstanding System Bonds, but solely to the extent required to meet, together with other pledged sums, the principal and interest requirements of the Note. Excess net revenues may be used for any proper purpose. Nothing contained herein shall be deemed to preclude the City from making further pledges and appropriations of the net revenues of the Water System for the payment of other or additional obligations of the City, provided that it has first been determined by the City Council that estimated net revenues of the Water System will be sufficient, in addition to all other sources, for the payment of the Note and such additional obligations, and any such pledge and appropriation of net revenues may be made superior or subordinate to, or on a parity with, the pledge and appropriation herein. Net revenues in excess of those required for the foregoing may be used for any proper purpose.

11. Pledge to Produce Revenues. In accordance with Minnesota Statutes, Section 444.075, the City hereby covenants and agrees with the holder of the Note that it will impose and

collect charges for the service, use and availability of and connection to the Water System at the times and in the amounts required to produce net revenues adequate to pay all principal and interest when due on the Note.

12. General Obligation Pledge. The full faith, credit and taxing powers of the City shall be, and are hereby, irrevocably pledged for the prompt and full payment of the principal and interest on the Note, as the same respectively become due. If the net revenues of the Water System appropriated and pledged to the payment of principal and interest on the Note, together with other funds irrevocably appropriated to the PFA Debt Service Account shall at any time be insufficient to pay such principal and interest when due, the City covenants and agrees to levy, without limitation as to rate or amount, an ad valorem tax upon all taxable property in the City sufficient to pay such principal and interest as they become due. If the balance in the Debt Service Account is ever insufficient to pay all principal and interest then due on the Note and any other obligations payable therefrom, the deficiency shall be promptly paid out of any other funds of the City which are available for such purpose, and such other funds may be reimbursed with or without interest from the PFA Debt Service Account when a sufficient balance is available therein.

13. Certificate of Registration. The Clerk/Administrator is hereby directed to file a certified copy of this resolution with the County Auditor of Houston County, Minnesota, together with such other information as the County Auditor shall require, and to obtain the County Auditor's certificate that the Note has been entered in the County Auditor's Bond Register.

14. Bond Purchase and Project Loan Agreement. The Bond Purchase and Project Loan Agreement is hereby approved in substantially the form presented to the City Council, and in the form executed is hereby incorporated by reference and made a part of this resolution. Each and all of the provisions of this resolution relating to the Note are intended to be consistent with the provisions of the Bond Purchase and Project Loan Agreement, and to the extent that any provision in the Bond Purchase and Project Loan Agreement is in conflict with this resolution as it relates to the Note, that provision shall control and this resolution shall be deemed accordingly modified. The City's execution and delivery of the Bond Purchase and Project Loan Agreement by the Mayor and Clerk/Administrator is hereby approved, ratified and authorized. The execution of the Bond Purchase and Project Loan Agreement by the appropriate officers shall be conclusive evidence of the approval of the Bond Purchase and Project Loan Agreement in accordance with the terms hereof. The Bond Purchase and Project Loan Agreement may be attached to the Note, and shall be attached to the Note if the holder of the Note is any person other than the PFA.

15. Records and Certificates. The officers of the City are hereby authorized and directed to prepare and furnish to the PFA, and to the attorneys approving the legality of the issuance of the Note, certified copies of all proceedings and records of the City relating to the Note and to the financial condition and affairs of the City, and such other affidavits, certificates and information as are required to show the facts relating to the legality and marketability of the Note as the same appear from the books and records under their custody and control or as otherwise known to them, and all such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the City as to the facts recited therein.

16. Negative Covenants as to Use of Proceeds and Project. The City hereby covenants not to use the proceeds of the Note or to use the Project, or to cause or permit them to be used, or to enter into any deferred payment arrangements for the cost of the Project, in such a manner as to cause the Note to be a "private activity bond" within the meaning of Sections 103 and 141 through 150 of the Code. The City reasonably expects that no actions will be taken over the term of the Note that would cause it to be a private activity bond, and the average term of the Note is not longer than reasonably necessary for the governmental purpose of the issue. The City hereby covenants not to use the proceeds of the Note in such a manner as to cause the Note to be a "hedge bond" within the meaning of Section 149(g) of the Code.

The City hereby covenants not to use the proceeds of the Note or to use the Project, or to cause or permit them to be used, or to enter into any deferred payment arrangement for the cost of the Project, in such a manner as to cause the PFA Bonds to be "private activity bonds" within the meaning of Sections 103 and 141 through 150 of the Code. The City reasonably expects that it will take no actions over the term of the Note that would cause the PFA Bonds to be private activity bonds, and the average term of the Note is not longer than reasonably necessary for its governmental purpose.

17. Tax-Exempt Status of the Note; Rebate. The City shall comply with requirements necessary under the Code to establish and maintain the exclusion from gross income under Section 103 of the Code of the interest on the Note, including without limitation (a) requirements relating to temporary periods for investments, (b) limitations on amounts invested at a yield greater than the yield on the Note, and (c) the rebate of excess investment earnings to the United States if the Note (together with other obligations reasonably expected to be issued and outstanding at one time in this calendar year) exceeds the small-issuer exception amount of \$5,000,000.

For purposes of qualifying for the exception to the federal arbitrage rebate requirements for governmental units issuing \$5,000,000 or less of bonds, the City hereby finds, determines and declares that (a) the Note is issued by a governmental unit with general taxing powers, (b) the Note is not a private activity bond, (c) ninety-five percent or more of the net proceeds of the Note are to be used for local governmental activities of the City (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the City), and (d) the aggregate face amount of all tax-exempt bonds (other than private activity bonds) issued by the City (and all subordinate entities thereof, and all entities treated as one issuer with the City) during the calendar year in which the Note is issued and outstanding at one time is not reasonably expected to exceed \$5,000,000, all within the meaning of Section 148(f)(4)(D) of the Code.

18. Tax-Exempt Status of the PFA Bonds; Rebate. The City with respect to the Note shall comply with requirements necessary under the Code to establish and maintain the exclusion from gross income under Section 103 of the Code of the interest on the PFA Bonds, including without limitation (a) requirements relating to temporary periods for investments, (b) limitations on amounts invested at a yield greater than the yield on the PFA Bonds, and (c) the rebate of excess investment earnings to the United States. The City covenants and agrees with the PFA and holders of the Note that the investments of proceeds of the Note, including the investment of any revenues pledged to the Note which are considered gross proceeds of the PFA Bonds under the applicable regulations, and accumulated sinking funds, if any, shall be limited as to amount and yield in such manner that the PFA Bonds shall not be arbitrage bonds within the meaning of Section 148 of the Code and any regulations thereunder. On the basis of the existing facts,

estimates and circumstances, including the foregoing findings and covenants, the City hereby certifies that it is not expected that the proceeds of the Note will be used in such manner as to cause the PFA Bonds to be arbitrage bonds under Section 148 of the Code and any regulations thereunder. The Mayor and Clerk/Administrator shall furnish a certificate to the PFA embracing or based on the foregoing certification at the time of delivery of the Note to the PFA. The proceeds of the Note will likewise be used in such manner that the Note is not a private activity bond under Section 103(b) of the Code.

19. Designation of Qualified Tax-Exempt Obligation. In order to qualify the Note as a "qualified tax-exempt obligation" within the meaning of Section 265(b)(3) of the Code, the City hereby makes the following factual statements and representations:

- (a) the Note is issued after August 7, 1986;
- (b) the Note is not a "private activity bond" as defined in Section 141 of the Code;
- (c) the City hereby designates the Note as a "qualified tax-exempt obligation" for purposes of Section 265(b)(3) of the Code;
- (d) the reasonably anticipated amount of tax-exempt obligations (other than private activity bonds, treating qualified 501(c)(3) bonds as not being private activity bonds) which will be issued by the City (and all entities treated as one issuer with the City, and all subordinate entities whose obligations are treated as issued by the City) during this calendar year 2020 will not exceed \$10,000,000;
- (e) not more than \$10,000,000 of obligations issued by the City during this calendar year 2020 have been designated for purposes of Section 265(b)(3) of the Code; and
- (f) the aggregate face amount of the Note does not exceed \$10,000,000.

The City shall use its best efforts to comply with any federal procedural requirements which may apply in order to effectuate the designation made by this paragraph.

20. Severability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

21. Headings. Headings in this resolution are included for convenience of reference only and are not a part hereof, and shall not limit or define the meaning of any provision hereof.

ADOPTED by the Caledonia City Council this 13th day of July, 2020.
